To the Board Staff,

I would like to submit this Review item to the 10/13/2026 Steering Committee agenda for consideration as described below.

For background, this is in regard to Matt Quinones' memorandum that was circulated to the full board on 8/14/2026 by Barbara Montalvo, as well as to the Board of Finance. I have already advised Director Quinones, and he has agreed, pending steering approval and his availability. This meeting will be held via webinar only.

REVIEW: Overview of the Stamford Road Restoration Program: Recent History, Policy Evolution and Future Strategy

I would also like to add the attached memorandum document to the public record. Let me know if there is any further information you need from me.

Thank you very much and have a wonderful weekend.
