COMMITTEE REPORT: Land Use/Urban Redevelopment Committee **Co-Chair** Tomas gave a brief committee report.

President Sherwood read the item description for LU31.061 into the record. The item was moved and seconded by multiple Board members, and discussion ensued. During the discussion, the following topics arose:

1. Conversation centered on the legality of the vote as per the opinion rendered by the City's Law Department that stated the following specific part of the state statute 8-23 [Sec. 8-23(2): "The legislative body or board of selectmen, as the case may be, may hold one or more public hearings on the plan and shall endorse or reject such entire plan or part thereof or amendment and may submit comments and recommended changes to the commission."] does not apply to the City of Stamford.
2. Discussion also regarding the overall effect of said vote to endorse or reject the revised Stamford 2035 Comprehensive Plan when the same section of state statute 8-23(2) goes further to say "The commission may render a decision on the plan without the report of such body or board", even as the statute goes further in Sec. 8-23(i)(2) to
