REPORTS:

1. BOE Liaison – Rep. Noah Lapine briefly reported on:

   "I want to start by congratulating the members of the Board of Education who won re-election yesterday, Gabriella Koch and current Board President Andy George, and to the Board's newly elected member, Reagan Allen. Ms. Allen will fill the seat vacated by Antonia Better Weirs. We want to thank Ms. Better Weirs for her 3 years of committed service to Stanford Public Schools.

   At the October 27th meeting of the Board of Education, the Board unanimously passed thoughtfully crafted board goals for 2026-2027, as well as passing a document containing

Board of Education norms and expectations. These documents are available on the Board of Ed website.
And, I want to applaud the Board of Ed, President George and Superintendent Talley for their thoughtful, collaborative, and outcomes-driven approach to a healthy governance structure for our schools. The effort and dialogue surrounding the passage of both of these documents represented a new tone for the board that has been evolving over the past several months, and one that will serve our city, our families, and most importantly, our students very well as they strive to meet these standards that they've established.

Also at that meeting, Dr. Talley gave a preliminary overview of the Next Generation Accountability System scores for SPS. This is a 12-indicator framework that measures academic achievement, student growth, chronic absenteeism, graduation, and post-secondary readiness conducted by the Connecticut State Department of Education, which uses the system to track school and district performance. As Dr. Talley noted, there are areas of the report that SPS can be proud of. And there are areas that represent opportunities for us to improve our results. He'll be giving a full presentation on these results at the December Board of Ed meeting.

And then a final reminder that on Thursday, December 3rd, at 6 p.m., there will be a panel discussion on education in Stanford at the old Longridge Firehouse, hosted by Representative Policy and myself. This panel will include Dr. Talley, Board of Ed President George, as well as one Democrat and one Republican member of the Board. And that concludes my report."

HONORARY RESOLUTIONS: There were no honorary resolutions.

PUBLIC PARTICIPATION SESSION: Session opened at 7:45 p.m. and closed at 8:10 p.m. The following spoke during the public participation session: (1) Kieran Edmondson – remote; (2) Shariq Kahn – in person; (3) Mike Papa – in person; (4) Diana Kolaj – in person; (5) Melanie Hollas – in person; (6) Cynthia Bowswer – in person; (7) Dave Adams – in person; (8) Paula Waldman – remote; (9) Gina Calabrese – remote; (10) Sue Halpern – remote
