WITNESSETH

WHEREAS, Client desires to retain the advisory services of Owner's Representative ("Services") in connection with the construction of the new Westhill High School, demolition of the existing high school, and related site improvements thereto (hereinafter the "Project"), as more fully described in Exhibit A annexed hereto, and Owner's Representative desires to be so retained.

WHEREAS, Owner's Representative desires to furnish such advisory services during planning and implementing of the Project;

NOW THEREFORE, for the consideration hereinafter stated, the parties hereto, intending to be legally bound, covenant and agree as follows:

ARTICLE 1 – SERVICES

1.1 Owner's Representative represents to use its best efforts to furnish Client with all the professional skill, expertise and knowledge it has concerning those matters within the scope of the Services set forth herein. Owner's Representative represents that the statements it made concerning its qualifications in its response to the Client's Request for Proposal are true and accurate and that it possesses the requisite skill, expertise and knowledge to provide the services the Request for Proposal and this Agreement require. At all times, Owner's Representative shall perform those professional services solely in the Client's interest and in strict accordance with the standard of care to which seasoned professionals similarly situated in its field are held, specific to the location and time the Services are rendered. Notwithstanding anything arguably to the contrary in this Agreement, however, the Owner's Representative's obligations under this Agreement are not in any way intended to require or imply that the Owner's Representative has assumed any of the responsibilities that the Client's design team or its construction manager will be performing on the Project; the design team and construction manager shall be solely responsible for the performance of those services, and the Owner's Representative shall not be responsible or liable for any failure, breach of duty or negligence on their part, except if and to the extent the failure, breach and/or negligence is related to the Owner's Representative's own failures, breach of duty or negligence.

Without in any way limiting the generality of that stated Scope of Services, the Owner's Representative shall advise Client on the status of all aspects of the Project during the preconstruction and construction phases and assist the Client in: i) developing the budget and tracking costs; ii) establishing the schedule; iii) tracking work progress; iv) monitoring the standards of quality; v) its selecting commercially reasonable

services necessary to complete the Project; (vi) given that the Project represents a critical component to the Client's Long Term Facilities Master Plan ("LTFMP"), advising the Client regarding the LTFMP's impact on the Project..

1.3 Owner's Representative shall only be required to perform services relative to the remediation, abatement or rendering harmless of any hazardous material or substances, asbestos or asbestos related products as those services are specifically set forth in Exhibit A..

1.4 Owner's Representative has the responsibility to assign personnel who, in the judgement of Owner's Representative, can and will provide the Services this Agreement requires. Marc Sklenka will act on behalf of Owner's Representative as the Managing Director to oversee and administer the Services the Owner's Representative is to provide the Client. The Owner's Representative will also assign additional personnel to the team providing the Services as needed. If the Client reasonably determines that a specific individual the Owner's Representative intends to add or has added to its Project team is not adequate to provide or is not adequately providing the Services assigned to that individual, Client shall promptly advise the Owner's Representative of same, and Owner's Representative shall promptly adjust the individual's work or replace that individual. The Owner's Representative shall not subcontract the whole or any part of the Services (other than to its affiliates or subsidiaries) without the Client's consent.

ARTICLE 2 – FEES

2.1. Client shall pay Owner's Representative a total fee for the entire Project up to or equal to \$2,746,766.00 exclusive of the provision of services by Multivista which shall be a reimbursable expense subject to the provisions of §4.1 infra. The Client shall, exclusively at its own option, determine whether additional staffing is necessary to perform the stated Scope of Services pursuant to the Owner's Representative's proposal for additional staffing. Should the Client determine at any point to exercise this exclusive option, the fee for any additional staffing shall not exceed \$4,205,612.00. The Fee for the Project shall be payable on either an hourly or lump sum monthly basis, as follows:

For the Pre-Construction Phase with a projected 24-month duration, the portion of the fee the Owner's Representative shall receive will be up to and shall not exceed \$637,224.00. The Pre-Construction Phase fee shall be divided by subphases as follows:

- For the Architect Selection subphase, the Owner's Representative shall bill on the basis of agreed upon hourly rates as set forth below for the hours worked during the month with the total monthly bills for that subphase not to exceed \$79,560.00. The projected duration of this subphase is three months.
- The projected duration of the Design Phase subphase is 18 months. For that subphase, the Owner's Representative shall bill \$24,940 per month for each of those 18 months for a total of \$448,924.
- The projected duration of the Bidding subphase is four months. For that subphase, the Owner's Representative shall bill on the basis of agreed hourly rates as set forth below for hours worked during the month with the total monthly bills for that subphase not to exceed \$108,741.00.

For the Construction Phase, the projected duration is 42 months. For that Phase, the portion of the fee the Owner's Representative shall receive will be \$1,873,425.00 billed at \$44,605.36 per month for each of those 42 months.

For the FF&E and Closeout Phase, the projected duration is 6 months. For that Phase, the portion of the fee the Owner's Representative shall receive will be \$216,116.00 billed at \$36,019.33 per month for each of those 6 months.

For the OSCGR Closeout Phase, the duration of which cannot currently be projected, the Owner's Representative shall bill at agreed upon hourly rates, but the total billing for this Phase shall not exceed \$20,000.00.

The agreed upon hourly rates the Owner's Representative shall charge are set forth in Exhibit C annexed hereto. These hourly rates shall escalate 4% per calendar year beginning each new calendar year on January 1. Should the Phases in which an hourly rate is used result in a lower total value than the "Not-to-Exceed" cap provided in each Phase, the unused funds shall remain encumbered and be available to fund any additional services that may be approved by the Client later in the course of the Project. Should any unused funds remain unused through the completion of the Project, the encumbrance shall cease, and the City shall retain them.

2.2 The Fee shall be the sole compensation to Owner's Representative, and is inclusive of its general and office overhead, insurance, profit, and all other costs, except for Reimbursable Expenses as provided for in Article 4.

2.3 The Owner's Representative shall invoice the Client on a monthly basis pursuant to the terms described in Section 2.1.

2.4 Owner's Representative's Fee is based on the projected duration set forth in the Request for Proposal and as clarified in Exhibit B, Item 4. The parties agree that the projected duration is a reasonable estimate of the Project's duration. If the Project's actual duration exceeds the projected duration by more than two months without any fault on the Owner's Representative's part, the Owner's Representative shall not be obligated to continue performing services after those two months absent a written agreement between the parties providing additional compensation for those services.

ARTICLE 4 – REIMBURSABLE EXPENSES

4.1 In addition to the Fee set forth in Article 2.1 herein, Client shall reimburse Owner's Representative for the actual cost, without markup, of reimbursable expenses such as mail, express postage, Multivista Construction Documentation services, third party printing, copying, and blueprinting costs, and Client approved out of town travel and related expenses. The costs associated with Multivista Construction Documentation services shall not be applied towards the Cap. Moreover, before contracting for Multivista Construction Documentation Services, the Owner's Representative shall consult with the Client as to the scope of services Multivista shall provide, with the client's selection of those services made in writing before the Owner's Representative's contracts with Multivista for those services.

In order to terminate for cause, the Client shall give the Owner's Representative five calendar days written notice of its intent to terminate, with the notice specifying the cause for the termination and stating that the termination shall be effective at the end of the five-day period if the Owner's Representative has not cured or otherwise eliminated the condition giving rise to the notice by then. "Cause" shall be the making by the Owner's Representative of any material misrepresentation, any material breach of this Agreement by the Owner's Representative, or if the Client determines that the Owner's Representative's conduct, including any failures to act on its part, has substantially endangered its performance of the Agreement or if the Client reasonably anticipates that such an occurrence or default will occur. The determination of whether the Owner's Representative has cured or otherwise eliminated the condition giving rise to the notice is in the Client's sole and unreviewable discretion.

6.2 The Owner's Representative may terminate this Agreement for cause. "Cause" for such a termination shall be limited to the Client's material breach of this Agreement. In order for the Owner's Representative to terminate this Agreement for cause, it must first give the Client five calendar days written notice of its intent so to terminate, with the notice specifying the claimed material breach and stating that the termination shall be effective at the end of the five day period if the Client has not cured the breach by then.

6.3 The Client may at any time terminate this Agreement solely for its convenience and without cause. It shall effect a termination for convenience by providing the Owner's Representative with written notice, and such notice shall be effective upon receipt by the Owner's Representative. If the Client terminates for convenience, the Owner's Representative shall be entitled to payment per this Agreement for the services it rendered and the Reimbursable Expenses it paid to the date of termination.

6.4 Client may, without cause, order the Owner's Representative to suspend, delay or interrupt its service, in whole or in part, for a period the Client determines. If it is reasonable to do so, the Owner's Representative's Fee and/or the time requirements for the Owner's Representative's performance may be equitably adjusted on account of the suspension, delay, or interruption.

7.3 This Agreement constitutes the entire agreement between the parties with respect to the Services. No provisions of this Agreement shall be changed or modified, nor shall this Agreement be discharged, in whole or in part, except by an agreement in writing signed by the party against whom the change, modification or discharge is claimed or sought to be enforced.

7.4 No waiver of any of the conditions or provisions of this Agreement or of any of the rights of either party hereunder shall be effective or binding unless such waiver shall be given in writing and signed by the party claimed to have given, consented or suffered the waiver.

The parties expressly agree, however, that the damages the Client will suffer due to its inability to occupy the Project by the substantial completion date established in the Client's agreement with its Construction Manager are direct, not consequential damages.

(c.) In an arbitration brought pursuant to this Article 7.8, the arbitrator may award reasonable attorneys' fees and costs to the prevailing party.

7.9 Owner's Representative affirms that, to the best of its knowledge, no actual or potential conflict of interest exists between its family, business or financial interests and the services it is to provide under this Agreement, and that it shall promptly raise with the Client any questions regarding possible conflicts of interest as they arise.
