Funding For Park Monitoring and Enforcement

1. The **Stamford Police Department** is the City's primary crime fighting agency in the City of Stamford. Provide for approximately 8,000 Calls for Service in Stamford Parks and is supported by current Park Police.
2. Park Monitoring and Enforcement Monies will be utilized for an Improved Park presence to supplement the Stamford Police Department and the Parks Police.
3. Several Options Being Considered with many logistical issues that need to be worked out for an Improved Overall Plan
 - Integration of Parks Police with the Stamford Police Department
 - Optimal resource deployment
 - Improved Park Monitoring

The City of Stamford continues to
be the safest city in Connecticut
& all of New England
