

CITY OF STAMFORD

March 9th

DEPARTMENT FUNCTIONS

DEPARTMENT FUNCTIONS

The mission of the Recycling and Sanitation Department is to provide for the efficient and expedient collection of garbage and recyclables from designated areas within the City of Stamford. The Department manages the Transfer Station, Scale House, Katrina Mygatt Recycling Center, Take it or Leave it and Book Swap along with the Scofield Public Works facility during Recycling events.

Enhance recycling services by providing updated recycling information to the Public as well research new programs for recycling. Provide collection events for hazardous waste and events in North Stamford.

FISCAL YEAR 2022-23

CHANGES FOR THE NEXT FISCAL YEAR

In continuing efforts to improve City services: updated Collections Foreman job description to new JD under “Operations Foreman Vehicles and Equipment” which improved truck maintenance coordination with Vehicle Maintenance. Coordinated the transfer of the Solid Waste Master Mechanic position to Vehicle Maintenance in our effort to reduce overall City expense for all repairs and welding.

15% Increase in pricing for MSW hauling requires budget increase in Haulaway garbage requested budget from \$4.5M to \$5.8. Price increase also results in an estimated increase in revenues from \$2.4M to \$3.3M

New /expanded Services 22/23

Expansion of Food Waste Composting program at Bartlett Arboretum.

Re-implement Neighborhood dumpster program starting Spring 2022
