- Conclusion

MAYOR SIMMONS' ADMINISTRATION'S VISION AND BUDGET PRIORITIES

Vision Statement: To build a more inclusive, equitable, vibrant, and innovative city where everyone has the opportunity to thrive.

Top Budget Priorities:

- •Advancing Economic Prosperity and Making Stamford more Affordable and Equitable
- •Investing in our Infrastructure and Quality of Life
- •Making Government Work Better for Residents

BUDGET ALIGNMENT WITH PRIORITIES

Advancing Economic Prosperity and Making Stamford More Affordable and Equitable
Supported community programs and expanded tax relief for seniors
Committed to fiscal sustainability by funding pension and OPEB obligations
Minimized major city spending increases to keep the mill rate increase under 1%

Investing in our Infrastructure and Quality of Life

Prioritized fixing roads, sidewalks, and bridges
Invested in resilient and sustainable infrastructure projects

Making Government Work Better for Residents

•Increased investment in operations, IT and data security

OVERVIEW OF BUDGET PROCESS

Capital Budget Process

- Departments and Outside agencies submit capital requests in Q4 of 2021
- Planning Board reviews requests and makes sure requests fit into the city's Master Plan and submits their recommended capital budget to the Mayor's office
- Mayor's office reviews and revises planning board recommendations and submits Mayor's proposed capital budget to the BOF and BOR on March 8

Operating Budget Process

- Mayor's office sends guidance to city departments and outside agencies on budget requests in December of 2021
- Departments and outside agencies submit their operating budgets for the upcoming fiscal year
- Mayor's office reviews each department/agency request and makes edits
- Mayor's office submits budget to BOF and BOR Fiscal Committee on March 8

ECONOMIC OUTLOOK

- **Population Growth:** 135,470 people
- Business Growth: Tomo, ICapital, Charter Communications, Digital Currency Group
- **Unemployment Rate:** 4% for Stamford, 4.4% for CT and 3.7% for the U.S.
- **Unemployment Claims:** 875 weekly unemployment claims in Stamford as of Feb 2022 (down from the peak of 9,907 in May 2020)
- Commercial Vacancy Rate: 30.8%
- **Rising Inflation and Energy Costs:** Annual inflation rate is 7.5% as of January 2022; Average price of gas per gallon is \$4.14

BUDGET OVERVIEW

- Invests in essential services and community programs
- Commits to long-term fiscal sustainability
- •Finds responsible cost savings to minimize the tax burden on Stamford residents
- Supports the city's most vulnerable residents
- Invests in roads, sidewalks, parks, and information technology
