Valerie,

Will you please forward the following to members of the fiscal committee.

Thanks,

David

Members of the Fiscal Committee,

Thanks for the opportunity to present last night and I appreciate your questions.

I wanted to follow up with a small clarification since there was a specific question from Representative Figueroa that I answered incorrectly. It's a very minor thing, but I want to make sure you have the proper information.

While the city generously supports the police during the parade and the post-parade operations clean-up, DSSD pays for the staff from operations who clean up after the Governor's Horse Guard. We pay to pick up the poop

As I said, don't hesitate to be in touch if you have any further questions as the budget process proceeds.

Thanks,

David
