Our 2021-2022 Annual Report

The library is not only a sanctuary for banned books, but a sanctuary for our users who have few safe spaces in their lives.

Our Mission

We provide free and equal access to information, ideas, books and technology to educate, engage and enrich the Stamford community.

The innovative programs and services we provide nourish a lifelong passion for learning and growth for children and adults

Our Vision

The Ferguson Library helps individuals and organizations achieve success in an effort to build a strong, vibrant and inclusive community.

Our Foundational Principles

Intellectual Freedom

Diversity, Equity, and Inclusion

Underlying the Ferguson Library's mission and vision is our commitment to diversity, equity, and inclusion as well as the belief that intellectual freedom is the cornerstone of our democracy. Our values are reflected in how we serve the community and how we work together.

Challenges

A Flat Budget Impacts 3 Major Cost Centers:

1. Staff
 2. Material
 3. Building Maintenance
- New Union Contracts with built-in increases (2.35% plus increments) impact staffing levels, leading to possible cuts to services and programs.
 - Inability to meet community's demand for all material, including digital media such as e-books, e-audio and streaming movies.
 - Deferred maintenance often leads to capital projects
