Future 5 has embarked on a new Strategic Plan 2024-2029

that includes

- **Increasing High School member capacity:** Grow by 13% each year, offering life-changing opportunities to even more high school members.
- **Elevating the Member Experience:** Expand and enhance our current programming to deliver even greater value and impact.
- **Establishing a new Home for Future 5:** Create a lasting foundation for our mission and community.
- **Expand our Reach:** Identify a new location and serve additional communities.

Support **MORE** STUDENTS

Our vision is to help even more kids by adding
25 (13%) more
high school students a year.

We will **Elevate the member experience** through

- Strengthening student-staff connections
- Deepening volunteer engagement
- Earlier College Prep and Next Track coaching
- Added accountability agreements for College Success members
