RE: RFP#888, Motor Vehicle Tax Compliance

Mr. DeProfio

Based on our review of your proposal, a review of our prior RFP and your current agreement we would like to continue with the current compensation structure. Please respond to this email to indicate if you would be willing to continue forward under the existing term, in place of the hourly rate contained in your proposal.

3. COMPENSATION. The Contractor shall be compensated for the services set forth in Section 1, above, in an amount equal to fifty (50%) percent of the total taxes, penalties and interest collected for any tax years billed as a result of the MTS investigation plus a fifty (\$50.00) dollar per vehicle fee, which fee is added to the tax bill under C.G.S. § 12-140 and paid to Stamford by the violator, all as set forth in greater detail in the Contractor's Proposal attached hereto as Exhibit B.

Notwithstanding the foregoing, the Contractor shall be responsible for all costs of mailing/postage of the initial letters to taxpayers and the City's Tax Assessor shall have final authority to either add or delete a motor vehicle tax bill during the Term of this Agreement, including any extensions;

Best,
Erik
