

Inspirica is one of only very few organizations in the nation that addresses both the physical component of homelessness and the underlying reasons people become homeless on a single end-to-end platform. By combining residential and support services in a "one-stop-shop" setting we are able to eliminate gaps in services, ensure programs leverage each other -- and exponentially increase our success rate. Our outcomes, which we track rigorously and meticulously, attest to this.

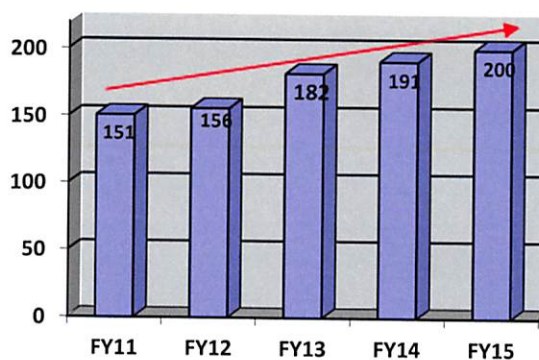

INSPIRICA INC'S PROGRAMS
