**ADDENDUM NO. 3
(February 24, 2017)**

**RFP No. 711
South End Neighborhood &
Historic Preservation Plan, Phase I**

Addendum No. 3 is being issued to all potential proposers to respond to inquiries received and to provide the following information.

1. Does the contractor's statement form need to be included with each of the copies (as part of the completed submission) or as a single copy within the submittal package?

The completed Contractor's Statement form may be included with just the original submission package and does not need to be included in all of the submission copies.

2. The non-collusion certification page – is that something that needs to be signed and included in the proposal, or are we certifying non-collusion by submittal of a proposal?

The Non-Collusion Certification – RFP/RFQ does not need to be signed and included in the submission package. Submission of a proposal is acknowledgment of non-collusion.

3. Does the City typically provide translation services for public meetings or is that the consultant's responsibility?

The City generally does not provide translation services and the consultant is not expected to do so either.

All other terms and conditions of RFP No. 711 remain the same.
