Unfortunately, I am not able to attend the Land & Use meeting on Tuesday, Feb 25th but I appreciate the opportunity to weigh in on the proposed issue of creating a historic district in the South End. I represent three separate properties located in the South End of Stamford at 21 Manor St, 24 Harbor St and 28 Harbor St. This proposal represents significant hardships on behalf of the property owners and I am **strongly** opposed to the City's proposed adoption of a local historic district and it's study committee.

Sincerely,

Virginia Vitrella
