Hi Val,

As per our conservations with Representatives regarding the Washington Boulevard and Pulaski Street timeline, we have provided the Timeline for projects around the Stamford Transportation Center in both PDF and Excel formats with lighter shading to improve overall clarity. For ease of review, we have also separated the timeline into three different years 2020, 2021, 2022 to increase font sizes and overall readability.

Please share with the board.

Best,

## Garrett S. Bolella, PE, PTOE

*Traffic Engineer*, City of Stamford Transportation, Traffic & Parking Department

888 Washington Blvd., 7<sup>th</sup> Floor Stamford, CT 06901 Office: <u>203-977-1126</u> Cell: <u>475-399-0003</u>
