Re: Request for Proposals No. 686

Dear Ms. Aveni:

At your request, pursuant to the City's right to negotiate the terms of the engagement as set forth in the Request for Proposals No. 686 to provide Bond Counsel Service to the City of Stamford, we propose the revised fees set forth on Exhibit A. As a partner in the firm, I have the authority to bind the firm contractually.

Robinson+Cole has served as bond counsel to the City of Stamford for more than 35 years. The City is one of our most important clients and we are proud of the services we have provided to the City. We believe we have represented the City extremely well over the years. We very much want to continue our relationship and representation of the City as its bond counsel for many years to come.

Please call me if you have any questions. Thank you.

Very truly yours,

David M. Panico
