Please share this with the board of representatives.

I heard that the board of representatives will be voting on a city ordinance that will be banning the tethering of dogs unattended for long periods of time.

On behalf of this house hold we are in favor of this ordinance and I hope you will vote in favor of this ordinance on the city's behalf.

As a Stamford residents and dog owners we strongly support the common-sense animal welfare proposal to ban the unattended tethering of dogs. Please pass along this note to all board members in advance of tonight's vote.

Thank you.
