- A. **TERMINATION FOR CAUSE.** If, through any cause, The Consultant shall fail to fulfill, in a timely and proper manner, its obligations under this Agreement, or if The Consultant shall violate any laws or any of the covenants, agreements, or stipulations of this Agreement, The City shall thereupon have the right to terminate this Agreement for cause by giving written notice to The Consultant of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In that event, all finished or unfinished reports, documents, data, studies, photographs, or other material prepared by The Consultant pursuant to its performance under this Agreement shall, at the option of The City, become The City's property. The Consultant shall be entitled to receive just and equitable compensation for any satisfactory services completed up to the effective date of termination. The Consultant shall not be responsible for any claims resulting from The City's use of the documents on another project or changes made to the documents without The Consultant's express written permission;

The term "cause" includes, without limitation the following:

- 1) If The Consultant furnished any statement, representation, warranty or certification in connection with this Agreement, which is materially false, deceptive, incorrect, or incomplete;
- 2) If The Consultant fails to perform to The City's satisfaction any material requirement of this Agreement or is in violation of any specific provision thereof or any State or Federal law or requirement; or
- 3) If The City reasonably determines that satisfactory performance of this Agreement is substantially endangered or can reasonably anticipate such an occurrence or default.

Should The City terminate this Agreement for cause, The Consultant shall not be relieved of liability to The City for any damages sustained by The City by virtue of any breach of this Agreement by The Consultant and The City may withhold any payment to The Consultant for the purposes of setoff until such time as the exact amount of damages due The City from The Consultant is determined.

In that event, all finished or unfinished

documents and other materials as described Subsection A shall, at the option of The City, become property of The City. If the Agreement is terminated by The City as provided herein, The Consultant shall be paid an amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed to the effective date of termination bear to the total services of The Consultant pursuant to the terms of the Agreement, less payments of compensation previously made, and subject to The City's right of set off for any damages pursuant to the terms of the Agreement;

## **17. DISPUTE RESOLUTION.**

- A. EXECUTIVE MEETING. The parties shall endeavor to resolve all claims, disputes, or other matters in controversy arising out of or related to this Agreement (“Claims”) through a meeting of the chief executives of each party, or their respective designees (“Executive Meeting”).

A request for an Executive Meeting shall be made by a party in writing and delivered to the other party. The request may be made concurrently with the filing of a non-binding mediation as set forth herein. The Executive Meeting shall be a condition precedent to mediation unless 30 days have passed after the Executive Meeting has been requested with no meeting having been held.

The Executive Meeting shall be held in the place where the Project is located, unless another location is mutually agreed upon.

- B. MEDIATION. Any Claim subject to, but not resolved by, an Executive Meeting shall be subject to mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation.

The request may be made concurrently with the filing of arbitration but, in such event, mediation shall proceed in advance of arbitration, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration is stayed pursuant to this Section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

The parties shall share the mediator’s fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

- C. **ARBITRATION.** Any Claim subject to, but not resolved by, mediation shall, in the sole discretion of The City, be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the Claim would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the Claim.

The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law.

Any judgment will be entered or court action will be brought in a court of competent jurisdiction within the State of Connecticut.

- D. **PERFORMANCE DURING DISPUTE.** Unless otherwise directed by The City, The Consultant shall continue performance under this Agreement while matters in dispute are being resolved.
- E. **CLAIMS FOR DAMAGES.** Should either party to this Agreement suffer injury or damage to person or property because of any act or omission of the other party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

**18. GOVERNING LAWS.** This Agreement shall be governed by the laws of the State of Connecticut and the parties hereby waive any chose of law provision contained therein. Any action arising out of this Agreement shall be brought to either the State Superior Court in Stamford, Connecticut, or the Federal District Court in Bridgeport, Connecticut; and

**19. GIFTS:** During the term of this Agreement, including any extensions, The Consultant shall refrain from making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of The City or the Stamford Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to The Consultant shall include its members, officers, directors, employees, and owners of more than 5% equity in The Consultant. Violation of this provision shall constitute a material breach of this Agreement, for which this Agreement may be summarily terminated.

**20. CODE OF ETHICS.** The Consultant shall comply with the Stamford Municipal Code of Ethics as codified in Chapter 19 of the City of Stamford Code of Ordinances and shall be considered an “employee”, as defined in that Chapter, strictly for the purpose of compliance thereto.
