

**PETITION  
TO  
REBUILD THE WEST MAIN STREET BRIDGE  
FOR  
VEHICULAR AND PEDESTRIAN**

We the citizens of the city of Stamford strongly SUPPORT the citizens of the Westside with their APPEAL to rebuild the West Main Street Bridge at Mill River to its original state that would accommodate both **VEHICLES and PEDESTRIANS.**

Rebuilding the bridge would increase response time for emergency vehicles, improve economic development for the Westside businesses and improve access to the heart of the city.

The Westside is a vital part of the city of Stamford that needs good infrastructure to encourage growth and bring ALL people of the city together.

**WE DO NOT SUPPORT the fast track contract/plans to restore the West Main Street bridge FOR PEDESTRIAN ONLY.**
