Subject: SWPCA Lien and Foreclosure Information
Date: Friday, March 19, 2021 5:07:56 PM
Attachments: [SWPCA Lien and Foreclosure Information.pdf](#)

Valerie,

On February 23rd Bill Brink and I appeared before the Operations Committee of the Board of Reps. They requested information regarding SWPCA liens going back a few years and foreclosure information for the last two years.

Attached is the information requested. Please distribute to the committee and let me know if the committee requires any additional information. Since the discussion was related to liens and foreclosures during the pandemic, the backup foreclosure information shows the number of foreclosures for each month [before] beginning March 2019 thru February 20 and [during] March 2020 thru February 21. It also shows the type of property, the amount that is currently due and owing, the last amount paid, the last date of the payment, the year(s) the account went into foreclosure, whether or not the account is currently in foreclosure (active) and the number of times the account has been in foreclosure.

The information attached is self-explanatory. However, I wish to point out to the committee that there were more delinquent accounts in foreclosure before the pandemic occurred than during and **as of today—3/19/20—the active liens are at 712.**

Regards,

Rhudean
