Hi Sheila,

I have attached the presentation we reviewed at last week's Stamford BOR meeting. Also, one of the Representatives asked for a summary of vault locations by property types. Here is a short summary:

Total vaults - 26 (to be installed in pairs at 13 locations)

- Public Rd: 10
- Private property: 2
- Public property (not rd): 1

Please let me know if you have any questions.

Best Regards,
