RE: Proposal to raise the Golf Permit rate
DATE: November 29, 2018

At the November 28 special meeting of the Golf Commission the Commission unanimously voted to increase across the board all golf permits to \$50 annually. This is in cooperation with the Sterling Farms Golf Authority whom EGB Golf shares permit revenue.

Most current resident permits range in price from \$35 for permits sold from January 1 to March 31st and to \$40 for permits sold from April 1st thru December 31st. Current Senior and Junior permits are \$35 all year. With your permission Mayor we will move this proposal of \$50 per annual permit on to the Board of Representatives. We look forward to hearing from you. Please let me know if you have any questions.
