Subject: Parks & Recreation Committee -- Inquiry Posed

Dear Representative Mahoney:

At the Committee Meeting last evening Rep. Matherne touched upon Medical Marijuana. Directly from Compliance & Enforcement regulations from the Department of Consumer Protection:

Medical Marijuana cannot be used in the following circumstances:

In the workplace

On any school grounds or any public or private school, dormitory, college
Or University Property

In any public place

In the presence of any person under the age of 18

Connecticut State Statutes place medical marijuana under the jurisdiction Department of Consumer Protection

Please feel free to distribute this information to members of your committee
