

A 41-Degree Difference: Field Temperatures of Synthetic Turf Upper Field and the adjacent Grass Baseball Field at Stamford High School. Who would want to send a student out to play on a field that's 41 degrees hotter than the one next to it? [Human skin sustains a 1st degree burn @ 118 degrees, 2nd degree burn @ 131 degrees.]

Thursday, April 13, 2023 @4:31pm:

Air Temperature: 85 degrees
 Upper **Synthetic** Field: **109 degrees**
 Natural **Grass** Baseball Field: **75 degrees**

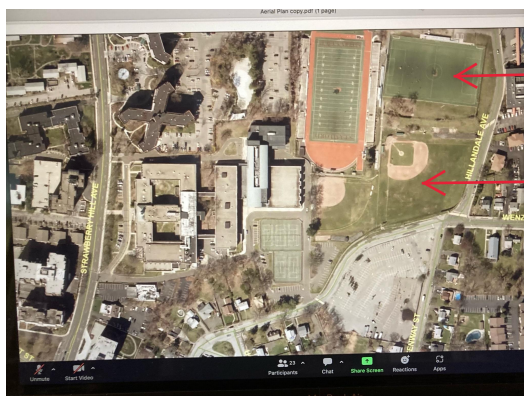

Friday, April 14, 2023 @3:38pm:

Air Temperature: 86 degrees
 Upper **Synthetic** Field: **126.5 degrees**
 Natural **Grass** Baseball Field: **85.5 degrees**

Location of SHS existing athletic fields:

Upper Synthetic Field
