Subject: Fuss & O'Neill - Contract for Stamford Coastal Flood Resiliency Plan (RFP 2023.0003)

Good Afternoon Your Honor,

Attached is a proposed contract with Fuss & O'Neill for a Stamford Coastal Flood Resiliency Plan (RFP 2023.0003). If agreeable, please forward this email and the attached documents to the City's Board of Finance and Board of Representatives for consideration/approval.

This Project will include data collection and analysis, modeling, identification of critical infrastructure and analysis of the urban tree canopy, extensive community engagement; preliminary conceptual plans including cost benefit analysis and identification of potential grant and funding opportunities.

Fuss & O'Neill will substantially complete this work within eighteen (18) months of contract execution. The fees for these services will be \$250,000.00 payable on a work completed basis. Fuss & O'Neill will also be reimbursed for certain expenses not to exceed \$5,000.00.

Please contact Erin McKenna, the City's Senior Parks Planner, if you have any specific questions regarding these services, the associated fees, or the City's coastal flood resiliency plan in general. You may, of course, contact me at your convenience if I may be of any further assistance to you in this matter.

Thank you,

Elizabeth (Liz) C. Turner

Assistant Corporation Counsel

City of Stamford
