Hi Valerie,

I understand there was some confusion over the use of “a foreign corporation” in the above referenced Avalon contract. That is a designation from the CT Secretary of State. The easiest explanation is that any entity that is not domestic (established and existing in CT) is considered foreign. It means, in this case, from another state, not another country. See attached CT SOS Business Detail for Pinacom Inc.

So....why Pinacom and not Avalon? Because the corporate resolution and insurance certificate provided by Avalon make it clear that Avalon is a d/b/a of Pinacom. See attached. I believe it's in the best interest of the City for the contract to match those documents.

Let me know if you need any more information.

Thanks,
