2. Non-Discrimination

If the contract is for a public works project, the contractor agrees and warrants that it will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such project. The contractor further agrees to take affirmative action to ensure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved;

(b) the contractor agrees, in all solicitations or advertisements for employees placed by or on

behalf of the contractor, to state that it is an "Affirmative Action-Equal Opportunity Employer" in accordance with regulations adopted by the CCHRO;

(c) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a copy of these provisions, advising the labor union or worker's representative of the contractor's commitments under these provisions and to post copies of the notice in conspicuous places available to employees and applicants for employment;

(d) the contractor agrees to comply with each provision of this section and Conn. Gen. Stat. Sections 4a-62, 32-9e, 46a-56 and 46a-68b to 46a-68k, inclusive, and with each regulation or relevant order issued by said CCHRO;

(e) the contractor agrees to provide the City with such information requested by the City, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor.

3. Subcontractors

The contractor shall include the provisions of subsection (2) in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the City and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the CCHRO. The contractor shall take such action with respect to any such subcontract or purchase order as the City may direct as a means of enforcing such provisions.

The contractor agrees to comply with the CCHRO's requirements as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

GIFTS:

During the term of this contract, including any extensions, the Contractor shall refrain from making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of the City of Stamford or the Stamford Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to the Contractor shall include its officers, directors, employees, and owners of more than 5% equity in the contractor. In that event, all finished or unfinished reports, documents, data, studies, photographs, or other material prepared by the Consultant pursuant to its performance under this Agreement shall, at the option of the City, become the City's property. The Consultant shall be entitled to receive just and equitable compensation for any satisfactory services completed up to the effective date of termination. The request may be made concurrently with the filing of arbitration but, in such event, mediation shall proceed in advance of arbitration, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration is stayed pursuant to this Section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

Any Claim subject to, but not resolved by, mediation shall, in the sole discretion of The City, be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the Claim would be barred by the applicable

statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the Claim.

The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law.

Any judgment will be entered or court action will be brought in a court of competent jurisdiction within the State of Connecticut.

D. **PERFORMANCE DURING DISPUTE.** Unless otherwise directed by The City, The Contractor shall continue performance under this Agreement while matters in dispute are being resolved.

E. **CLAIMS FOR DAMAGES.** Should either party to this Agreement suffer injury or damage to person or property because of any act or omission of the other party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Pursuant to the City of Stamford Code of Ordinances Section 23-18.4.1 and Section 12-146b of the Connecticut General Statutes, as amended, the Consultant/Contractor hereby acknowledges that the City shall have the right to set-off or withhold any payment, or portion thereof, due to the Consultant/Contractor pursuant to this Agreement if any taxes levied by the City against any property, both real and personal, owned by the Consultant/Contractor are delinquent and have been so delinquent for a period of not less than one year. Any amount withheld from the Consultant/Contractor pursuant to this section shall be applied to the Consultant’s/Contractor’s delinquent taxes, provided, however, that no such amount withheld shall exceed the amount of tax, plus penalty, lien fees and interest, outstanding at the time of withholding

22. CAPACITY/INDEPENDENT CONTRACTOR. The Contractor is acting as an independent contractor and is not an employee of the City. COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES
CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by [Sections 4a-60](#) and [4a-60a](#) of the Connecticut General Statutes; and, when the awarding agency is the State, [Sections 46a-71\(d\)](#) and [46a-81i\(d\)](#) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at [Section 46a-68j-21 through 43](#) of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by [Sections 4a-60](#) and [46a-71\(d\)](#) of the Connecticut General Statutes.

According to [Section 46a-68j-30\(9\)](#) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in [Section 4a-60](#) of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of [Section 32-9n.](#)” “Minority” groups are defined in [Section 32-9n](#) of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by [Section 4a-60g](#) of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of [Section 46a-68j-21\(11\)](#) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with [Sections 46a-68-1 to 46a-68-17](#) of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. [See Section 46a-68j-30\(10\)\(E\)](#) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following [BIDDER CONTRACT COMPLIANCE MONITORING REPORT](#) must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to [Sections 4a-60](#) and [4a-60a](#) CONN. GEN. STAT., and [Sections 46a-68j-23](#) of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

CITY OF STAMFORD

REQUEST FOR PROPOSALS

**FOR
ADMINISTRATIVE SERVICES FOR THE
POLICE DEPARTMENT EXTRA DUTY EMPLOYMENT**

Scope of Services

The City of Stamford's Police Department is responsible for the assignment of off duty police officers to perform extra duty services for local businesses and residents. Extra duty employment includes but is not limited to: all traffic control required by street opening permits, all sporting events and public gatherings, all security at Municipal and Board of Education buildings and grounds and all other security functions that may arise.

There are approximately 17,000 jobs performed annually by approximately 250 police officers. The estimated annual billing is \$12 million.

The following required services should be provided:

Hardware and Software System

The proposer should have a proprietary computer system that has the capability to perform the following tasks and operations: input for the generation and documentation of weekly police extra duty paychecks; the generation and documentation of invoices to the users of police extra duty services including the assessment of an administrative fee, to be determined by the City; a 1% per month late payment penalty, when applicable; the collection and documentation of payments made by the users of police extra duty services to include a running tab of services remaining on account in both monetary and hourly denominations to be provided monthly; the documentation and monitoring of accounts receivable and the efforts made to collect outstanding invoices that are more than 30 days in arrears; the reconciliation of payroll with amounts billed, payments received and accounts receivable; the ability for payment to be received by cash, check, money order or credit card; the ability for all scheduling and payment processing to be done online through the City's website. System should be compatible with or be able to interface with the Telestaff System currently being used by the Stamford Police Department.

Invoice and Payment Processing

Generate and mail invoices as necessary based on information derived from the system. Billings will include the police officers' hourly wages based on a four hour minimum, an administrative fee, which is currently 16% of payroll, and a 1% per month interest charge on extra duty user accounts that are older than 30 days. Payments will either be mailed to a post office box established by the service provider, or processed on site by the service provider's on site representative in the form of a check, money order or credit card. These payments will be processed and posted to the appropriate receivable accounts. These payments will ultimately be deposited in a City bank account. A report detailing all payments received, processed and deposited, together with copies of deposit tickets will be forwarded to the Controller's Office on a weekly basis.

Bad Debt Notification

Notify the Police Department's Outside Employment Office weekly of all outstanding obligations either in the form of overage of services that have been previously paid for or accounts older than thirty (30) days to enable the department to suspend future extra duty assignments until full payments are made.

Collection Efforts

With respect to unpaid invoices, the proposer should make dunning telephone calls when receivables are 30 – 60 days old, send customers additional documentation to support invoices if requested, send follow-up demand letters, and make notification to the Police Department's extra duty office, as well as forward past due accounts to the City's Law Department that are 75 days or older that the proposer deems to be uncollectible.

Payroll Processing

The proposer who is selected for this engagement shall send payroll input to the City's Payroll Department each week for purposes of generating paychecks for police officers who provided police extra duty services. The payroll input shall be sent on a computer electronic file together with a back-up hard copy of the data on the file. The required input shall include the names of the police officers, payroll identification numbers (to be provided) and the number of hours worked by each police officer. Pay rates will be entered into the payroll system and the mathematical calculations, hours times pay rates, will be automatically computed by the City's payroll system. The computer files and the back-up hard copy of the data should be received by the City's Payroll Department in accordance with deadlines established by the Payroll Department so that payrolls for police extra duty services can be accurately completed on a timely basis each week. The proposer will provide an output file that is compatible with the import format used by the City's Payroll Department, which runs a Ceridian HPW, Version 7.31 (see Attachment 1 – Payroll Specifications).

Exceptions to Normal Processing

Extra duty employment services related to City sewer jobs classified as City capital projects and any other jobs assigned to City operating departments (including the Board of Education) will be limited to assigning and scheduling only by the Police Department. These assignments should be identified and segregated from the normal processing functions of billing, payments processing, revenue collection and accounts receivable. No payroll input information will be required.

Management Reports

The following management reports shall be prepared and remitted to the City:

Payroll Input/Output and Reconciliation Report

Issued once per week. This report should include a reconciliation of payroll input with payroll output as documented on payroll registers. Payroll Correction Forms should be attached to document payroll input errors and the reconciliation of payroll input with payroll output.

Amounts Billed

Issued once per week. This report should detail who received police extra duty services and should include dates, hours, police wages, administrative fee and 1% per month late penalty, when applicable, by customer name and invoice number.

Amounts Collected

Issued once per week. This report should detail weekly cash receipts which support the weekly checks remitted by the proposer to the City of Stamford for deposit into the City's bank account. This report should include a detailed listing of payments by customer, check numbers, check dates, check amounts and invoice dates.

Amounts Outstanding

Issued once per month. This report should show all outstanding invoices and these invoices should be aged to show receivable amounts that are current, over 30 days, 60 days, 90 days and over 120 days old.

Reconciliation Report

Issued once per month. This report should reconcile police officers' wages paid with amounts billed, payments received and accounts receivable.
