RESOLUTION NO. 3905

SUMMER STREET PEDESTRIAN SAFETY IMPROVEMENT PROJECT STATE PROJECT # 135-340

WHEREAS, The City of Stamford has published a legal notice and a display ad, mailed letters informing of the project meeting to numerous officials and agencies, and mailed formal letters to abutting property owners announcing a Public Information Meeting on significant pedestrian and traffic safety improvements for Summer Street at the intersections of Main Street, Broad Street, North Street and Hoyt Street to reduce collisions in one of the City's highest growth/accident corridors; and

WHEREAS, a Public Information Meeting was held on Wednesday, May 2nd, 2018 at 7:00 P.M. in the 6th Floor Safety Training Room of the Government Center at 888 Washington Boulevard, at which citizens had an opportunity to voice their concern, and

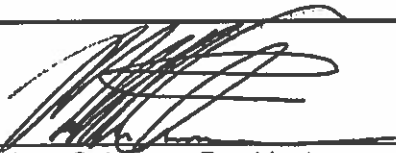

WHEREAS, the City has received funding from the Federal Highway Administration (FHWA) through the Connecticut Department of Transportation's Local Roads Accident Reduction Program (LRARP) for significant pedestrian safety enhancements to the intersections of Summer Street at Main Street, Broad Street, North Street and Hoyt Street to reduce collisions at high accident locations. The Federal Highway Administration will provide 90 percent of the construction costs and the City of Stamford will provide all the design and 10 percent of construction costs; and

WHEREAS, the Transportation, Traffic and Parking Department has considered the concerns of the residents from the Public Information Meeting and any additional written concerns submitted within a 14 day period thereafter, and recommends the advancement of the project to final design and finds that the proposed pedestrian and traffic safety improvements are in the best interest of the City of Stamford, and will promote the health, safety, and general welfare of its residents.

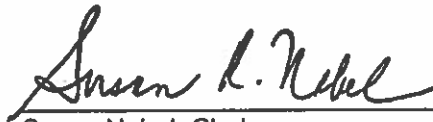

NOW THEREFORE BE IT RESOLVED BY THE 30TH BOARD OF REPRESENTATIVES THAT:

That based on the above information, and by virtue of this resolution, it hereby fully supports the proposed project.

This resolution was approved on the Consent Agenda at the regular monthly meeting of the 30th Board of Representatives held on Monday, July 9, 2018.
