# Agenda

- Ordinance Overview
- Approved Locations
- Vendor Selection and Contracting Process

# Ordinance Overview

- Chapter 231, Article XIII of the Stamford Code of Ordinances
- Passed by the Board of Representatives April 1, 2024
- All funds will go towards roadway safety improvements in Stamford
- Vehicle owners will be ticketed for exceeding the posted speed limit by 10 MPH or more
- The fine for a first violation is \$50 and subsequent violations \$75 plus a \$15 processing fee
- Red light cameras are not authorized for use in the City of Stamford
- All Speed Safety Camera Locations have to be approved by the Stamford Board of Representatives
- All violations have to be reviewed and approved by a City of Stamford employee
- Program managed by the Transportation, Traffic & Parking Department
- Violations will not impact your insurance or go towards points on your license

# Approved Locations

- All locations were approved by the Board of Representatives on June 3, 2024 and approved by CTDOT January 5, 2026.
