

Stamford Water Quality – Board of Representatives

Susan Nabel, Chair

Gail Okun, Vice Chair

Committee Report

Date: Thursday, November 17, 2016
Time: 7:00 p.m.
Place: Democratic Caucus Room, 4th Floor Government Center, 888
Washington Boulevard, Stamford, CT

The Stamford Water Quality Committee met at the above date and time. In attendance were Chair Nabel, Vice Chair Okun and Committee Member Reps. Savage and Silver. Absent or excused was Committee Member Rep. Day. Also present was Jim Federici, Lab Director.

Ms. Nabel called the meeting to order at 7:01 p.m.

Item No.	Description	Committee Action
1. WQ29.006	REVIEW; Update on Current Number of Requests for City Testing of Well Water. 11/10/16 – Submitted by Rep. Nabel	Report Made

Mr. Federici reviewed the attached [update on the current number of requests for private well water testing](#). He noted that:

- The percentage of wells above the containment level/action level has not changed
- They sent out seven separate mailings to 1323 households who have not participated in testing or for whom they have no well water data (they rely on addresses without water bills)
- There are 5275 households with wells in Stamford; to date 2588 wells have been tested; they targeted various neighborhoods, but didn't send out to all the households at once, in order to avoid a potential influx of testing requests at one time
- The North Stamford Association and other associations should be informed that this program may come to an end

Chair Nabel adjourned the meeting at 7:17 p.m.

Respectfully submitted,
Susan Nabel, Chair
