Recycle Bag Contest

Grades 8-12

The city of Stamford will soon be initiating no plastic bags in the new year. To commemorate this new initiative, the Stamford Board of Representatives is sponsoring a recycle bag design competition for students in grades 8-12.

Students are encouraged to develop a logo that will reflect the benefits of recycling and or non-use of plastic shopping bag in the environment.

Contest Requirements:

- The bag design must be ONE color.
- Your design must in the space provided below, and it should reflect the benefits off of recycling. You can draw or generate your idea on a computer and attach or glue it in the space provided. Artwork must not be larger than 5 inches by 5 inches.
- Please fill out and complete the entry form below and submit this entry form contest entries by February 22, 2019, to Sharon Beadle, Public Relations Department, Government Center
