Nominations to fill any such vacancy shall be submitted to the Board office, to be referred to the Appointments Committee, not less than 72 hours prior to the meeting of the Appointments Committee. Any nomination submitted subsequent to the 72 hour period may only be considered by the Board under a suspension of the rules. Nominations shall only be accepted from current members of the Board of Representatives. Each member of the Board may submit no more than one (1) active nominee per vacant position. If any nominee withdraws their name from consideration, that nominee shall no longer be considered an active nominee. No nominee may be considered by the full Board for the filling of any citywide vacancy unless said nominee's name has been

submitted to the Appointments Committee as set forth herein and said nominee has been interviewed by the Appointments Committee.

9. Any petition or other communication which, in the opinion of the President or Clerk, is properly the business of a Standing Committee of the Board, or of a duly constituted or administrative authority of Stamford, may be referred by the President or Clerk directly upon receipt to the proper committee or authority. Notification of the nature of each such petition or communication and its disposition shall be made to all members in written form or a report of same may be made to the Board or to the Steering Committee, whichever meets next, at its next meeting.

1. All committee members and committee chairs or co-chairs shall be appointed by the President, in consultation with the Majority and Minority leaders, unless otherwise specifically directed by the Board. The President may appoint a member of the committee as the vice-chair.
2. If a member of the Board of Representatives testifies at a committee public hearing, said member may not participate in the discussion of the item which was the subject of the public hearing. Members who testify at a City of Stamford Board, Committee or Commission public hearing must notify the Clerk of the Board of Representatives of their testimony prior to the next Regular Board Meeting following the date of their testimony.
3. All motions in committee shall be seconded other than motions to adjourn. No motion may be made or seconded by the chair of the committee (or, in the case of co-chairs, the co-chair acting as chair during the meeting).
4. An item referred to a committee and placed on the Agenda for any meeting of the Board shall be fully investigated and reported to the full Board at said meeting. The chair or his/her appointee shall make the majority report of the committee; any member may make a minority report. An item placed in committee but not on the Agenda shall be investigated fully and its findings made to the proper party directly.
5. Any matter on the Agenda for any Board meeting, which is not reported out at said meeting by the committee to which it was referred, may be removed from such committee's hands by a majority vote of the full Board, and the Board may then act upon said matter at that meeting.
6. It shall be the duty of the chair of each committee to call a meeting of such committee if any matter has been referred to it by the Steering Committee.
7. If a committee lacks a quorum at a meeting, the chair may commence the meeting to discuss agenda items in order to hear from invited experts or officials; however, no votes or other actions shall be taken on any of the agenda items.
8. There shall be no committee meetings on the day of any Regular or Special Board Meeting regarding an item on the Board's Agenda unless a committee meeting to consider said matter has been scheduled prior to the day of the Board meeting or unless a Special Meeting has been called to consider an emergency or time-sensitive matter and a committee meeting cannot reasonably be scheduled for another day. In such cases, the

committee shall complete its business before the time the meeting is scheduled to begin to eliminate unnecessary delays of the full Board.

9. All press releases of any Standing Committee shall be made or authorized by the Chair or Co-Chairs only.

11. Any ordinance, resolution, or contract must be submitted to the Board office by the earlier of (i) thirty-six (36) hours prior to the start of such committee's meeting, or (ii) 4:00 p.m. on the Friday preceding such committee's meeting if such committee meeting follows a weekend, or (iii) 4:00 p.m. on the last day on which the Board office is open for business, if such committee meeting follows a holiday on which the Board office is closed.

Any ordinance, resolution, or contract (or revised version thereof) submitted after such deadline shall be automatically held and placed on the agenda of the Steering Committee's next regular meeting, unless a motion is made and seconded to consider such ordinance, resolution, or contract and such a motion is approved by a majority of the present committee members.

This rule shall apply to all ordinances, resolutions, and contracts to be considered by a committee, irrespective of whether the person submitting such ordinance, resolution, or contract is an elected official or employee in the government of the City of Stamford.

12. All completed standard documentation, as established by the Clerk of the Board, for any candidate(s) to be interviewed by the Appointments Committee shall be submitted to the Board office to be forwarded to the Appointments Committee no later than seven days after the Steering Committee meeting during the month in which the review of said candidate(s) appears on the committee's agenda. Failure to have this completed documentation by the deadline above, as determined by the Clerk of the Board, shall result in an automatic postponement of any said candidate's interview, and consideration of said candidate(s) shall be placed on the Agenda of the Steering Committee's next regular meeting, unless the Committee votes by two thirds (2/3) majority to consider any said candidate(s) at the monthly meeting or votes to adjourn the meeting to a later date to consider any said candidate(s).

- C. No business other than what appears on the Agenda at a Regular Meeting shall be transacted except by the affirmative vote of two-thirds of the members present and voting. No business other than what pertains to the Call of a Special Meeting shall be transacted at a Special Meeting.
- D. At any time during the meeting the President may conduct a test of the Voting Machine to determine that it properly displays and records the votes of all members of the Board. Individual members shall verify the operation of their respective voting indicator lights, and the President and the Clerk shall verify the operation of the tallying device. The President shall determine if the machine, subject to any exceptions the President shall announce, is in acceptable working order and shall be used for subsequent votes during the meeting.
- E. Procedures pertaining to Regular Board Meetings:
- 1. Moment of Silence
 

After the test of the voting machine, the President or the Clerk or their designee shall read the names of those to be honored by a Moment of Silence. The Board, at the direction of the President, shall then observe a moment of silence for all those so honored. The name of any person to be honored shall be submitted to the Clerk prior to the Regular Board Meeting.

2. Honorary Resolutions

Honorary Resolutions submitted to the Steering Committee shall, if approved unanimously, be placed on the Board Meeting Agenda to be moved as consent agenda items. An Honorary Resolution may be removed from the consent agenda to permit debate. No Honorary Resolution shall be approved at a Board Meeting if more than one member votes in opposition to the approval of such resolution. An abstention shall not be considered a negative vote.

Honorary Resolutions not on the Board Meeting Agenda but submitted to the Clerk of the Board in writing at least three days prior to the Board meeting may be taken up under Honorary Resolutions at the discretion of the President. The Rules shall not be suspended to consider an Honorary Resolution not on the Agenda.

3. Time for Public Comment

a. As set forth in Article IV.A.1.f, there shall be a period for public comment, subject to the following procedures.

i. The public comment period shall not exceed thirty (30) minutes. However, any member may make a motion to extend the public comment period, provided the total does not exceed 50 minutes. The motion must be made before the public comment period starts and must pass by a simple majority vote of members present and voting.

ii. The President shall establish the amount of time allocated per speaker, which shall neither exceed three (3) minutes nor be less than one and one half (1½) minutes per speaker. Given the time limits set forth in section i, there is no guarantee that all members of the public who have signed up to speak will have the opportunity to do so. In the event that the public comment period is extended beyond thirty (30) minutes, the time allocated per speaker shall be no more than two (2) minutes.

iii. Speakers shall sign in prior to the start of the meeting, indicating their name. Speakers may address any topic which has not been subject to a prior public hearing of either the Board or a Board committee.

iv. Speakers shall be heard in the order listed on the sign-in sheet, or in the instance of online meetings, the order in which their request to speak was received by the office of the Board.

b. The President may keep good order and decorum in any manner authorized by Roberts Rules of Order, and, for the avoidance of doubt, may shorten or cancel the speaking time of any speaker during the public comment period deemed in the President's sole discretion to be disruptive or unruly.

4. Steering Committee Report

The Agenda of each meeting shall be incorporated by reference as the report from the Steering Committee, which shall be made a part of the Minutes thereof.

5. Committee Reports

- a. All ordinances and resolutions, and amendments thereto, emanating from Standing Committees shall be presented in writing to the full membership of the Board by the Chair or Co-chairs of the committee prior to the regular monthly meeting.
- b. The President shall call on the Chair, or Co-Chair of each Standing Committee to address the Board and provide a report and/or committee recommendation regarding all items on the Agenda pertaining to that committee. Motions recommended by a standing committee shall not require a second to be considered by the Board.
- c. If, during the report of the Chair and prior to discussion, an item is reported out as non-controversial and there is no objection from any member of the Board, the Chair shall remove that item to the Consent Agenda of the respective committee. The Consent Agenda shall be affirmatively moved by the Chair at the end of the committee report and shall be voted upon with no discussion. All other items shall be debated and acted upon in accordance with the Rules of Order of the Board.
- d. An appropriation request will not properly be before the Board of Representatives unless reported out by the Fiscal Committee and such other committee to which it has been referred. The report of the committee other than Fiscal may be waived by a majority vote of those present and voting.
- e. Initial publication of ordinances and all amendments approved in committee after initial publication shall require approval by a majority vote of those Board members present and voting. The Board may waive publication, or republication, of an ordinance by a two-thirds vote of the entire Board (27 votes) pursuant to Charter Section C2-10-12. Final adoption of an ordinance shall require 21 affirmative votes.

6. Minutes

Minutes of any prior meeting of the Board shall be made available to all members of the Board at least three days before the Board may approve them.

V. RULES OF PROCEDURE

- A. The Rules of Parliamentary Procedure as contained in *ROBERT'S RULES OF ORDER, Newly Revised* shall govern the Board in all cases to which they are applicable and are not inconsistent with these Rules.
  1. All ordinances and resolutions considered and approved by the Board of Representatives shall use only non-gendered language from this point forward.
  2. All parties submitted resolutions or ordinances to the Board of Representatives shall endeavor to use non-gendered language in their submissions.

B. Debate

1. Any members of the Board desiring to speak in debate, deliver any matter to the Board, or to ask question pertaining to any matter, shall indicate to the President or the Clerk their desire to address the Board. The President, with the assistance of the Clerk, shall keep track of those who wish to address the Board on any matter. The President shall name the member entitled to address the Board in the order in which they notified the Clerk or President. When any member addresses the Board, the member shall address the Chair as “Mr. President”, “Madam President” or “President [surname]”. All discussion shall be germane to the matter or motion under discussion. The President may direct any question asked by a member to the appropriate Board member.
2. No member who has already addressed the Board on the matter under discussion is entitled to address the Board a second time on the same matter as long as any member who has not spoken on that matter desires to address the Board. No member shall speak on the same question more than twice without permission of the President. The Clerk shall assist the President in keeping count of the number of times a member has spoken.
3. If there are no other members who desire to address the Board, the President shall put the question to a vote or move on to the next order of business as appropriate.
4. A motion to Move the Previous Question shall take precedence over further discussion on a matter. If seconded, the Motion to Move shall be put to a vote without further debate. If the motion to move the previous question receives a two-thirds vote of those present and voting, further debate on the main matter shall end and a vote on the main matter shall be taken.
5. No motions to limit debate shall be in order except as follows:  
Any item being debated by the Board shall be subject to a motion to limit debate, which shall pre-empt all other motions. If seconded, and if both the Majority leader and the Minority leader (or in their absence, one of their respective Deputy Majority leaders or Deputy Minority leaders) concur with the motion to limit debate, then such motion shall be put to a vote without further debate.

If the motion to limit debate receives a majority vote of those present and voting, from that moment on, each speaker shall limit their remarks to a maximum of two (2) minutes on the item. The President shall have the authority, at the President’s discretion, to allow additional time for committee reports, members to ask or answer questions in good faith, members to respond to personal remarks, or if an item has been either taken out of committee or taken up under a suspension of the rules where time is of the essence.

If subsequent motions are made affecting the item, including amendments or a motion to return said item to committee, the limitations on debate shall continue, provided, however, that each speaker’s allotment of time shall be extended by one (1) minute. The President, at his/her discretion, may permit an additional two (2) minutes, instead of an additional one (1) minute, per speaker following motions to amend if a proposed amendment,

in the judgment of the President, would materially alter the item previously under consideration and similar amendments have not been previously considered.

When the motion to limit debate is in effect, no motions to end debate or to call the previous question shall be in order until all speakers desiring to speak have had at least one opportunity to speak on the current motion.

Notwithstanding the provisions of any other rule, upon action by Committee, this rule may be rescinded by a majority vote of the full Board.

6. Any member who has an interest in any matter before the Board of such a nature that such member cannot vote may stay in the meeting when such a question is discussed or decided, but without the right to address the Board on the matter.
7. If any member, in speaking or otherwise, shall transgress the Rules of Order, the President shall, or any other member may, call such member to order, and, if speaking, such member shall immediately relinquish the floor, unless permitted to explain.

#### C. Motions

1. When a motion is made, it shall be stated to the Board by the President before any debate shall take place; but every motion shall be presented in writing, if the President so directs.
2. When a motion is stated by the President, or read by the Clerk, it shall be deemed to be in the possession of the Board. It may be withdrawn at any time before decision or amendment, but not after amendment, unless the Board gives permission.
3. The question first moved shall be first put, except as modified by Rule. When a question is under debate, no motion shall be received except:
  - a. To Adjourn
  - b. To Recess
  - c. To Lay on the Table
  - d. To move the Previous Question
  - e. To Close the Debate at a Specified Time
  - f. To Postpone to a Certain Time
  - g. To Commit or Recommit
  - h. To Amend
  - i. To Continue to the Next Meeting
  - j. To Postpone Indefinitely
4. The above motions shall have precedence in the order in which they are arranged in this Rule. No motion to Lay on the Table, Commit or Recommit, to Continue to the Next Meeting, or to Postpone Indefinitely, having been once decided, shall be again allowed at the same meeting and at the same state of the subject matter.

D. Voting

1. When a vote is taken, the President shall determine whether the vote will be taken by voice vote, by machine, or, if the machine is not in working order, by division. If five or more members desire, the vote shall be made by machine, or, if the machine is not in working order, by division.

- a. Voice Vote:

The President shall ask all those in favor of the motion to say aye and all those opposed to the motion to say nay. Unless the vote is unanimous, a recording of the ayes and nays of individual members shall be required. If required, the President shall determine whether a subsequent recorded vote is by machine or by division. The President shall determine whether the vote has passed and is unanimous. If the President doubts the unanimous result of a voice vote or if a member rises in their place and states that they doubt the unanimous result of a voice vote, the President shall try the vote again, either by voice or by machine. If five or more members desire, the vote shall be retried by machine, or, if the machine is not in working order, by division. A voice vote does not allow the recording of ayes and nays of individual members. However, at the conclusion of a voice vote, any member desiring to be recorded as not voting or abstaining shall notify the President.

- b. Machine Vote:

When the voting machine is used, each member shall be responsible for the verification of their own vote as it appears on the light panel and shall inform the Chair if a discrepancy is noted. Members shall be required to vote from their own positions except that a temporary President or temporary Clerk may vote from the President's or Clerk's position and vice-versa. In such cases, the Clerk shall properly record the votes of the members not voting in their usually assigned positions.

If there is a discrepancy between the vote as it appears on the light panel and the vote recorded by the machine, the vote on the light panel shall take precedence. The President, or one-fifth of the members present, may call for a new machine vote if the machine vote is doubted.

- c. Division

Those in the affirmative shall vote by raising their hands until counted, and afterwards those in the negative. The President may request the members to stand to assist in counting their votes. The President may request the assistance of the tellers in the counting of the vote. After the President has declared the vote, those who wish to be recorded as not voting or abstaining shall notify the President.

At the desire of one-fifth of the members present, at any time before a declaration of the vote, the yeas and nays shall be taken on any question by Roll Call vote. When the name of a member is called,

such member shall announce their vote. A member may pass only once. If a member fails to vote the second time his/her name is announced, then such member's vote shall be recorded as abstaining.

2. No ordinance or appropriation resolution shall be adopted except by a majority vote of the entire membership of the Board (21 votes), pursuant to Charter Section C2-10-6.
3. On all questions to fill a vacancy for any elected office or to approve an appointment to any Board or position submitted by the Mayor, the voting shall be by an open and recorded vote. In all elections or appointments by the Board, if more than one candidate or more than one slate of candidates is nominated for any position, the voting shall be by Roll Call vote. In all elections, the candidates receiving the most votes shall be elected. If there is a tie, the vote shall be declared no election, and the Board shall proceed to vote again. If there is only one candidate nominated, the vote shall be by unanimous consent without balloting; however individual members may note their abstention.
4. The vote of each member of the Board of Representatives upon any item on the Agenda, or any item made a part thereof by virtue of Suspension of the Rules, at its Regular Meeting or at a Special Meeting, shall be recorded in writing in accordance with Public Act No. 75-342 as it now stands, or as it may be amended.
5. In all cases of balloting, the President shall have the right to vote; however, the President shall not be required to vote, unless such vote would be decisive and such vote would not be in violation of Section V B 5 of these rules. In the case of a tie vote, the question shall be lost.

E. Emergency Meetings

1. In the event of the declaration of an emergency by the Governor of the State of Connecticut or the Mayor of the City of Stamford or other similar circumstance in which the Board of Representatives is unable to meet in person, the President may permit a Regular, Special, or Emergency Meeting of the Board of Representatives or its Committees to meet either by telephone or videoconference.
  - a. The meeting shall be conducted in such a manner that all participating members can hear each other debate and vote.
  - b. Members of the Board of Representatives must be present at said meeting to vote. 1. Persons other than members of the Board of Representatives shall not converse with Board members on the floor of the Board while the Board is in session.
2. Members that join the meeting after the Roll Call, or leave the meeting prior to adjournment, shall notify the Clerk so that the Clerk can keep track of the number of members present. Members who fail to notify the Clerk will not be considered present.
3. The silencing of all personal electronic devices is required at all Board meetings.

## VI. AMENDMENTS

An affirmative vote of at least two-thirds of the members present shall be required to amend the Rules of Order. However, these rules may be amended by a majority vote of the full Board (21 votes) at the first three regular Board meetings after the organizational meeting, beginning with the quadrennial election of 2001.

## VII. MAILING ALLOWANCE

To provide representatives the opportunity to communicate with their constituency, a quarterly dollar mailing allowance shall be established for each district based on the cost of mailing a 6x11 inch card, 2-sided color, printed, at bulk-rate up to 4 times per year. All mailings shall be sent to every address in the district. The representatives of the district shall share the allowance equally.

The Board office will work with the Purchasing Office to competitively procure mailing and printing services. This service would include design of a single, uniform template, which Board members would use for the mailing.

The President of the Board shall prepare a budget request to fund the mailing allowance, which shall be prorated based on actual budgeted funds. Unused allowances do not carry forward from budget year to budget year.

The allowance is limited to City and District related concerns and community events, and cannot be used for election campaigning. The mailing shall not name or include any information about any other elected official, or appointed Board or Commission member. The Board office will not accept any mailings under this allowance between May 15<sup>th</sup> and Election Day for any Representative standing for election or reelection.

Representatives availing themselves of the mailing allowance shall submit content and layout to the Board office for distribution to the outside vendor and to facilitate budget tracking. Each Representative shall be responsible for proofreading their content prior to submission to the Board office.
