Valerie,

In response to Rep. Matherne's question below, I reviewed the City Code and in my opinion no city ordinances were violated when Kosciuszko Park was closed.

Dennis,

Thank you for reaching out. Specifically, I wanted to know if the mold task force violated any city ordinances when Kosciuszko Park was closed.

Thank you again for your attention on this matter.

Hi Raven. You requested an opinion of Corp Counsel as to the actions of the Mold Commission relative to City Ordinances. Can you summarize what particularly you want to see? Open ended may result in no answer, as we saw at the last P&R Meeting, so rather than interpret what you might want to focus on, I leave it to you. Can you respond here and Valerie will then make the request. Thanks.

Dennis
