Dear Representative,

On Thursday, November 8, 2018, the Stamford History Center will hold an open house from 6-8pm, and we invite you to join us.

We will be welcoming delegates from the annual convention of the **New England Museum Association** which will be taking place in Stamford that week, so this is a great opportunity to help us show the rest of New England something special. The Mayor and the City and Town Clerk will also be on hand.

Our current exhibit, ***Fabric of Stamford, the lives of Women, 1860-1960***, has already drawn raves. We will also have continuous tours of the oldest home in Stamford, **the Hoyt-Barnum House**, as well as special private tours of our non-public vaults during the evening.

We would be delighted to have you with us at the History Center, 1508 High Ridge Road, for as long as you can make it. And there will be refreshments.

Please let us know if you can make it by sending an email to administrator@stamfordhistory.org or calling us at 203-329-1183 and leaving a message.
