RE: Determination to use a Request for Qualifications process with Quality Based Selection as the final selection process for Project Management Services for the Stamford Asset Management Group's Public-Private-Partnership – Design, Build, Finance and Maintain Public Schools

In accordance with Section 23-18.1(B)(2)(a) of the Stamford Code of Ordinances, please accept this written determination provided in my capacity as the Director with oversight responsibility for this project, to undertake a competitive Request for Qualifications process in which a quality based selection as the final selection process will be used. As stated in Sec. 23-18.1(B)(2)(a) "the nature of the project requires selection criteria primarily influenced by the past experience of a proposer in a similar or related projects, and that the best interests of the City will be served by the use of such process."
