LEGISLATIVE AND RULES COMMITTEE: (continued)

5. (L&R20.25) RESOLUTION FOR APPROVAL OF LEASE BETWEEN THE CITY OF STAMFORD AND THE COMMITTEE ON TRAINING AND EMPLOYMENT, INC. (CTE) FOR LAND AND BUILDING ON SOUTH SIDE OF HENRY STREET AND KNOWN AS THE OLD CLOONAN SCHOOL FOR THE TERM OF FIVE (5) YEARS FOR THE TERM RENT OF ONE (\$1.00) DOLLAR. Submitted by Mary E. Sommer, Corporation Counsel, 4/6/88. Held in Committee 5/2/88. Held on Pending Agenda 5/18/88. Planning Board approved 4/19/88. Board of Finance approved 6/9/88. Held in Committee 7/11/88.

MR. MARTIN stated that some members thought the five year lease was too long a period and thought that we should have additional clauses in the lease that would allow the city to terminate the lease on a very short notice. Ellen Isidro and Mary Sommer, Corporation Counsel appeared before the Committee and spoke on the issue, and they informed the Committee that due to various funding sources that we control on CTE if we should so desire to terminate the lease or have CTE move out of the building, we could effectuate that. Mr. Martin said that there was no anticipation that the city would want to terminate the lease and use the building for any other purpose within five years.

Mr. Martin said that Corporation Counsel and Ellen Isidro, Human Services Coordinator agreed that this lease has been negotiated for a long period of time; for well over a year. Mr. Martin stated that this is the first time that we are going to have a formal lease agreement with CTE. The lease includes very important provisions for the ability to monitor the use of funds by that organization.

The Committee voted 8-0-0 to approve the lease between the city and CTE. Moved. Seconded.

MR. RUBINO Moved to return this item to Committee. He saw no harm in a clause that would allow us to escape from the lease and provide other suitable quarters for CTE in the event an offer is made to purchase the land at a price that is attractive to the city. Seconded.

MR. RUBINO said Mr. Martin makes reference to certain back door methods to force CTE out. Mr. Rubino would not like to do that. He said it should be negotiated and agreed upon between the city and CTE. Some circumstances, if any, we may need to relocate them in the future if the land is needed for some other purpose or for sale.

MR. MARTIN said that he opposes the motion. The Committee has held this item two months. This item was examined very carefully by the Board of Finance for over two months. Mr. Martin stated again that there are no plans at present or foreseeable plans to use this building of any other purpose. The lease has been negotiated for a long period of time with difficulty by various members of the administration. To reopen negotiations may prolong this period of time when we don't have a contract and the contract provides for very important provisions in terms of getting financial information on CTE's operations.

MR. LYONS Moved the question. Seconded. APPROVED by voice vote.

LEGISLATIVE AND RULES COMMITTEE: (continued)

PRESIDENT GOLDSTEIN proceeded to a vote to return to Committee the resolution for approval of a lease between the city and CTE. DEFEATED 23 no and 8 yes votes.
