

MINUTES OF REGULAR BOARD MEETING

MONDAY, JUNE 3, 1991

21ST BOARD OF REPRESENTATIVES

STAMFORD, CONNECTICUT

A regular monthly meeting of the 21st Board of Representatives of the City of Stamford was held on Monday, June 3, 1991, in the Legislative Chambers of the Board of Representatives in the Government Center, 888 Washington Boulevard, Stamford, Connecticut.

The meeting was called to order at 9:10 p.m. by President Sandra Goldstein, after both political parties had met in Caucus.

I know that each member of this Stamford Board of Representatives has assumed her/his responsibility with a deep sense of public service. Our times are difficult. More and more human needs put further strain on shrinking funds. Tempers get short and patience seems, sometimes, a forgotten virtue. Our prayers and our hopes rest upon each of you this evening. May your council reflect your sincerity; may your wisdom be guided by compassion; and may you always feel, amid the slings and arrows, that you are appreciated by those you serve. Amen."

PLEDGE OF ALLEGIANCE TO THE FLAG was led by President Sandra Goldstein.

ROLL CALL was taken by Clerk of the Board Annie M. Summerville. There were 34 members present and six absent. Absent were Judith Evanko, Michael Fedele, Gloria DePina, Garry Clemmons, Mildred Perillo (excused) and Scott Morris (excused).

FISCAL COMMITTEE - Richard Lyons, Chairman

MR. LYONS said the Fiscal Committee met on Wednesday, May 29, 1991, at 7:00 p.m. in the Legislative Chamber. Present were Reps. Lyons, Zimmerman, Martin, Powers, Pavia, Esposito, and Hogan; also present were Reps. Mellis, Domonkos, and Goldstein. Mr. Lyons said the Committee reconvened this evening to take up item 1. Present were Reps. Lyons, Martin, Powers, Hogan, Pavia, and Zimmerman.

Mr. Lyons placed items 6, 7, 8, 9, 10, 11, 12, 13, and 14 on the Consent Agenda. All Secondary Committees concurred or waived the Secondary Committee report.

FISCAL COMMITTEE: (continued)

1. \$200,000.00 - STAMFORD COLISEUM AUTHORITY - AMENDMENT TO CAPITAL PROJECT BUDGET FOR CODE 735-70 CULTURAL CENTER - additional appropriation for first year of five annual \$200,000 payments toward half the cost of the Palace Theatre acquisition by the Stamford Center for the Arts. \$2,000,000 bargain purchase opportunity arose 12/89 due to estate liquidation. Request by Mayor Thom Serrani in fiscal 1990/91 Capital Budget. Planning Board. Board of Finance approved 10/11/90. To be financed by bonds. Held in Committee 11/7/90, 1/7, 3/4, 4/1, and 5/6/91. Returned to Committee 12/3/90. Held in Steering 1/16/91.

Above also referred to COLISEUM AUTHORITY LIAISON COMMITTEE.

MR. LYONS said the Committee voted six in favor and none opposed for the approval of item one. Mr. Lyons said this is part of a total appropriation of \$2 million; \$200,000 over a five-year period and each year the appropriation will have to go through the normal budgetary procedure of the city. Mr. Lyons said there was much discussion on the item as the item has been on the Agenda for sometime. Mr. Lyons said the Committee recommended that the Stamford Center for the Arts and the six (6) local organizations have a meeting and draw up a written agreement where all would feel comfortable as to what will occur after the city's contribution is made. Mr. Lyons said the meeting took place and an agreement was reached. He said a copy of the agreement was given to each Board member and is a part of this record. The agreement is titled "Palace Theatre Council" and it includes the following organizations: Stamford Center for the Arts, Black Artists Theater Company, Connecticut Ballet Theatre, Connecticut Grand Opera, New England Lyric Operetta, Stamford Chamber Orchestra, Stamford City Ballet, Stamford Symphony and Stamford Community Arts Council.

Mr. Lyons said that members of the Committee raised a question of the possible sale of the building at some future date. He said the Committee in their discussions with members of the Stamford Center for the Arts, came up with two possibilities: 1) a reversion contract such as is now in place with the Stamford Center for the Arts in the new building under a full party agreement and 2) being the right of first refusal by the City of Stamford. Mr. Lyons said the purchase price in both instances would be at one dollar (\$1.00). Mr. Lyons stated that the two agreements will be drawn up in a contract, hopefully, in the next month. He said the Committee felt that this was the way to proceed and the contribution for the purchase was in the best interest of the City of Stamford.

Mr. Lyons said the Committee voted six in favor and none opposed and Moved for approval. Seconded by Coliseum Authority Liaison Committee's concurrence.

Mr. Lyons said that the recommendation of the Committee was based upon the completion of the agreement as read by him. He said the Committee feels strongly that if for whatever reason, that any portion of the agreement is not enforced, any future appropriations should not be approved.

FISCAL COMMITTEE: (continued)

MR. ESPOSITO stated that based on the information given by Mr. Lyons and as this is an economic as well as a cultural appropriation, that the effort to acquire the Palace in conjunction with other creative endeavors such as the Downtown Special Services District, will go a long way in bringing new life to Downtown Stamford. Mr. Esposito heartedly endorsed the approval of the appropriation.

MR. MARTIN said there were two issues that had to be resolved concerning the appropriation; 1) the participation by other worthy cultural organizations in Stamford in what happens to the Palace Theatre, and that has been resolved by the resolution received, and 2) since the Palace Theatre was bought by public monies, it should be returned to the city if it is not going to be used by cultural services. Mr. Martin said that it was the good faith endeavor representation by the Stamford Center for the Arts that he is willing to go forward on the appropriation.

Mr. Martin stated that in the dollar purchase price, the understanding of the Committee was there was not an attempt to encumber the building with a debt load used for operating expenses. Mr. Martin said a mortgage clause may be available as negotiations proceed; the clear intent was that the primary use would be to cover improvements on the building rather than operating expenses, and then leaving the city with a huge mortgage. Mr. Martin supported the appropriation.

MR. PAVIA asked if the Chairman could repeat the names of the organizations?

MR. LYONS repeated the names: the Stamford Center for the Arts, Black Artists Theater Company, Connecticut Ballet Theatre, the Connecticut Grant Opera, New England Lyric Operetta, Stamford Chamber Orchestra, Stamford City Ballet, Stamford Symphony and Stamford Community Arts Council. Mr. Lyons stated that the list does not in anyway preclude any additional organizations from being a part of the group. Mr. Lyons said the above groups are the ones in place now that have used the Theatre over a period of time, and there are other groups that are not precluded from use of the Theatre.

PRESIDENT GOLDSTEIN proceeded to a vote to approve \$200,000 for the Stamford Coliseum Authority, amending the Capital Projects budget for Code 735-70 cultural center for payment towards the Palace Theatre as amended by Mr. Lyons and made part of the record by two separate additions. APPROVED by a vote of 28 yes and three no votes, no abstentions and three people not voting. Note: A letter to the Mayor and other attachments will be a part of these Minutes and will be attached to these Minutes.

2. \$725,000.00 - DEPARTMENT OF PUBLIC WORKS - AMENDMENT TO CAPITAL PROJECTS BUDGET FOR FISCAL YEAR 1990/91 FOR PROJECT CODE 301.093 STORAGE BUILDING - additional appropriation for storage building on Magee Avenue for use by city agencies and the Board of Education. Held in Committee 2/4/91. \$25,000, part of \$750,000 request approved 3/4/91, balance Held in Committee 3/4/91; Held in Committee 4/1 and 5/6/91.

HELD IN COMMITTEE

FISCAL COMMITTEE: (continued)

3. APPROVAL OF STAMFORD EMERGENCY MEDICAL SERVICES, INC. CONTRACT. Submitted by Mayor Thom Serrani, 4/8.91. Board of Finance approved 4/17/91. Held in Committee 5/6/91.

Above also referred to HEALTH AND PROTECTION COMMITTEE.

MR. LYONS said the Committee voted seven in favor and none opposed to approve the contract. Seconded by the concurrence of the Health and Protection Committee.

Mr. Lyons Moved to amend the contract. Seconded.

Mr. Lyons said the amendment is on page 10, 5.2 Number of Ambulances Available (a) would read: "SEMS shall ensure that at all times it has at least four staffed Primary Response Vehicles available and one fly car responding to emergency calls received by the Stamford Emergency Communications Center.

"(b) SEMS shall provide the following ambulance coverage:

The Stamford Hospital - 1, 24 hours per day, all week.

St. Joseph Medical Center - 1, 24 hours per day, all week.

Glenbrook Fire Co. - 1, 24 hours per day, all week.

684 Long Ridge Road (SAC) - 1, 12 hours (7:00 p.m. to 7:00 a.m.) all week.

Turn of River Fire Co. - 1, 12 hours per day (7:00 a.m. - 7:00 p.m.) and one 12 hours per day (7:00 p.m. to 7:00 a.m.) all week and one fly car 12 hours (7:00 p.m. to 7:00 a.m.)

Stand by unit - 1, (7:00 a.m. to 7:00 p.m.) all week.

"Page 10.1 5.3 Ambulance Staffing. Each primary Response Vehicle and fly car shall be staffed by at least two individuals, at least one of whom shall be a Connecticut certified EMT-P, having successfully completed the requirements of 19a-179-16(c) of the Regulations of Connecticut State Agencies. The second crew member shall be at least certified as a basic EMT, certified in accordance with State Statute 19a-179-16(b) of the Regulations of Connecticut State Agencies."

MR. MARTIN wanted the record to note that the approval of the contract is under a clause in the recently approved purchasing ordinance which requires the Board to approve contracts for services for over a \$100,000 or multi-year contracts. Mr. Martin said the contract is being modified according to the ordinance which specifies within 60 days.

Mr. Martin stated that all members of the Board, SEMS, private citizens and numerous municipal employees made tremendous efforts to come up with a good, safe ambulance service that could also help save the city money. Mr. Martin believed the contract to be constructive although there are some disagreements regarding some fine points but as the editorial in the Advocate stated, "It is best to err on the side of caution." Mr. Martin said that hopefully, the Mayor will not delay the contract and approve it so the savings that can be realized can be made as soon as possible.

FISCAL COMMITTEE: (continued)

MRS. MAIHOCK said she had reservations about the allocation of ambulances. She said that Long Ridge Road has a very high accident rate and the traffic on the Road is very heavy. She said by putting the ambulances below the Parkway, a problem is created. Mrs. Maihock said the ambulance at the Turn of River Fire Department must go on the Merritt Parkway to get to Long Ridge Road. She said the one stationed at Stamford Ambulance Corps has to get down Long Ridge Road which frequently is jammed with traffic. Mrs. Maihock said that she speaks from experience regarding the traffic in North Stamford and the accident rates on Long Ridge Road. Mrs. Maihock wondered if the coverage would be sufficient.

MR. NANOS Moved the question. Seconded.

PRESIDENT GOLDSTEIN called for a vote to Move the question. APPROVED by voice vote with no dissenting votes.

PRESIDENT GOLDSTEIN proceeded to a vote to amend parts of Sections 5.2 and 5.3 as articulated by Mr. Lyons. APPROVED by a vote of 25 yes and five no votes with one abstention.

MR. LYONS said the Committee voted seven in favor and none opposed to approve the contract as amended. He Moved for approval of the contract as amended. Seconded.

MR. ZELINSKY said he commended the Fiscal Committee, SEMS and all those involved for the work done on the contract. Mr. Zelinsky said he hoped that the vote on the contract this evening would once and for all resolve the matter so the Board can move forward to other business.

MR. ESPOSITO said the plan was basically a four and a half ambulance plan that is a compromise plan which may be a little more costly but which will provide better service for the city and should be approved.

MR. DeLUCA said that all who worked on the contract should be complimented, especially, the Board of Representatives contrary to what was written in the Advocate that the Board delayed the contract. Mr. DeLuca stated that if it were not for the Board delaying the contract, the cost to the city would have been a \$1 million extra and the extra fly car would not have been included. Mr. DeLuca said that he would vote against the contract because from the beginning he was disturbed for several reasons. He said the Mayor hired a consultant that stated going private would only cost the city approximately \$500,000, then later on, the consultant came back and stated that the city would be better off with a proposal made by SEMS. Mr. DeLuca also mentioned that if the Board went with what was proposed by the Mayor in a meeting in his office regarding the contract, the city would have been in sad shape.

Mr. DeLuca said he received calls from some of his constituents and also a letter from the Municipal Coalition, concerning double billing. Mr. DeLuca said the funds are part of the tax base and if he were to use the service, he would have to pay \$220 or \$250 for the service and his tax includes payment for the service. Mr. DeLuca said he believed that the firefighters and the volunteer ambulance corps have always provided good service, and he approved that system. Mr. DeLuca said that firefighters are being terminated and new people are being hired; although some may not have the training, training could be provided.

FISCAL COMMITTEE: (continued)

MR. DeLUCA said that he found it difficult to rely on SEMS as in the past, he recalled that after constant probing, management did admit that someone received a \$10,000 raise and there were salary increases.

MR. JOHNSON said he concurred with Mr. DeLuca. He said he was a firefighter and ambulance driver and said the firemen always did an excellent job. Mr. Johnson stated that he has been disturbed since the start of the new service and wished the service was back with the Fire Department.

MRS. MAIHOCK said her feelings were much as the two previous speakers indicated. She said she felt that privatization should not involve such a large financial commitment from the city. Mrs. Maihock stated that she would not feel comfortable in approving the contract.

PRESIDENT GOLDSTEIN proceeded to a vote on approving the Stamford Emergency Medical Services contract as amended - APPROVED by 26 yes and 7 no votes with one abstention.

4. \$ 70,800.00 - EMERGENCY MEDICAL SERVICES - AMENDMENT TO CAPITAL PROJECTS BUDGET FOR CODE 485.783 EMERGENCY EQUIPMENT REPLACEMENT - additional appropriation for replacement of three vehicles, radios, Life Paks and computer. To be financed by taxation. Request by Mayor Thom Serrani, 5/3/91. Planning Board approved 5/21/91. Board of Finance approved 5/21/91.

Above also referred to HEALTH AND PROTECTION COMMITTEE.

MR. LYONS said the Committee had a dual representation on item 4. He said if the contract was not approved, the full amount requested which was \$145,000 would have been required. Mr. Lyons said the Committee voted seven in favor and none opposed to reduce that amount to \$70,800 and Moved for approval. Health and Protection Committee concurred.

MR. DeLUCA asked how the \$70,800 came about?

MR. LYONS said the fly car was \$35,000, the radio \$2,500, \$25,500 for life paks and \$7,800 for a computer.

MR. DeLUCA asked if the \$70,800 means that the \$75,000 called in the original contract does not have to be provided?

MR. LYONS stated that the \$70,800 was in addition to the \$75,000; the \$75,000 in capital is for a new ambulance to come out of taxation.

MR. DeLUCA questioned the amount for the computer. He said that the Planning Board questioned the amount for the computer and stated it was high, and another look should be taken as to what can be purchased.

MR. LYONS said the Committee chose to go along with what the Board of Finance approved.

PRESIDENT GOLDSTEIN proceeded to a vote to approve \$70,800 for SEMS capital projects emergency equipment replacement - APPROVED by a voice vote with six no votes; Mr. DeLuca, Mrs. McGrath, Mr. Johnson, Mr. Maihock, Mr. Pia, and Mr. Stork.

LEGISLATIVE & RULES COMMITTEE - Maria Nakian & David Martin, Co-Chairpersons

MRS. NAKIAN said the Legislative and Rules Committee met on Tuesday, May 28, 1991, at 7:00 p.m. Present were Committee members Nakian, Martin, Bromley, Domonkos, Esposito, Fedele, Larobina, Mitchell, Maihock, Rubino and Zelinsky. Also present was President Sandra Goldstein, Rep. Summerville, Asst. Corporation Counsel Richard Robinson, Corporation Counsel Paul Shapero, Joan Ackerman, Executive Director of Smith House, Legrand Young, Bishop of the Church of Jesus Christ of Latter-Day Saints, Jon Smith, Director of Planning and Zoning, Norman Lotstein and Ira Dansky from the Special Services District Committee and David Anderson of the Stamford Partnership.

Mrs. Nakian stated that the Committee also met this evening, June 3, 1991, at 6:00 p.m. Present were Committee members Nakian, Martin, Domonkos, Larobina, Mitchell, Rubino, and Bromley. Also in attendance was Corporation Counsel Paul Shapero.

Mrs. Nakian placed items two and four on the Consent Agenda.

1. (L&R21.31) FOR PUBLICATION - PROPOSED ORDINANCE CONCERNING THE STAMFORD COLISEUM AUTHORITY. Requested by Rep. James Rubino, R-7, 5/16/90. Held in Committee 6/4, 7/9, 12/3/90, 1/7, 2/4, 3/4, 4/1 and 5/6/91.

MRS. NAKIAN said the item has been on the Agenda for a longtime and the delay was in waiting for an opinion from Corporation Counsel. Mrs. Nakian said that at the start of the meeting on Monday, a lengthy seven page opinion was received. She said the ordinance which was submitted to the Board a longtime ago was brought up, and there were two opposing opinions on the Committee: 1) The ordinance should be approved for publication to start the process and 2) That in the past, L&R has always put a great deal of effort into its ordinances and has tried to get the ordinances as perfect as possible before publication so there would be no back-tracking, changes and republications.

Mrs. Nakian said the Committee by a five to four vote approved the ordinance for publication. Mrs. Nakian Moved for publication. Seconded.

MR. MARTIN Moved that item one be returned to Committee. Seconded. Mr. Martin said the ordinance reflects many of the intentions of Board members but the ordinance is premature for publication. Mr. Martin said the ordinance has not received careful scrutiny by the Committee and Corporation Counsel and has not received any input from those involved in the ordinance.

MR. DeLUCA recommended that the item not be returned to Committee. Mr. DeLuca stated that if the ordinance was approved many months ago, by now we would have had line item control on the funds given out by the Authority. He said that recently monies were given for the Fourth of July fireworks even though a resolution against the fireworks was approved by the Board, and later more money was approved for the parade.

MR. RUBINO said he agreed with Mr. DeLuca. He said because of the delays and reluctance of the Board to get a handle on the Coliseum Authority, he could not vote in good conscience to send the ordinance back to Committee. Mr. Rubino stated he would like to see the ordinance approved in the very near future so the Board can get a handle on the Coliseum Authority which he believed was nothing more than a \$1.5 million Mayoral slush fund.

LEGISLATIVE & RULES COMMITTEE: (continued)

MR. RUBINO said the intent of the ordinance nine years ago, was that before any money could be spent by the Coliseum Authority, the expenditures and the entire budget of the Authority would be passed by the Board of Representatives. Mr. Rubino stated that Commissioner Paul Pacter did submit a budget to the Board the first year of Mayor Serrani's administration.

Mr. Rubino said he disagreed with Mr. Martin. He said he drafted the ordinance which has been before the Committee for six months and the issue of the Coliseum Authority has been discussed for over a year, and he saw no problems with the ordinance. Mr. Rubino said the ordinance was scrutinized and discussed with the Coliseum Authority. He urged the Board to publish the ordinance.

MR. BLUM said a total of \$85,000 from the Coliseum Authority was given to the Mayor for fireworks and the parade and the Board of Representatives had nothing to do with that. Mr. Blum said he was not in favor of recommitting as this been before the Board since May 6, 1990.

MRS. NAKIAN said the opinion received from Corporation Counsel, basically said that the ordinance presently in the Code of Ordinances is a flawed ordinance and what the Board of Representatives did at that time was to create something that did not conform to the State Statutes and questions have been raised ever since. She said it did not make sense to pass an ordinance which would also raise questions. Mrs. Nakian she could not see passing an ordinance that does not make the Coliseum Authority plain; she said some time must be spent as a seven page opinion and ordinance cannot be digested at first glance.

Mrs. Nakian stated that Mr. Rubino was correct in saying the ordinance has been before the Board for a longtime; however, on the evening Mr. Rubino submitted his ordinance, several other ordinances were submitted and the meeting was one of the less productive ones held by the Committee. Mrs. Nakian stated that no one could deal with all the information at one time, and none of the ordinances received the scrutiny they deserved including the one before the Board this evening.

Mrs. Nakian said she could not vote on the ordinance if it was not going to solve the problems. She said that something should be in place by the next Board meeting and would like to see the ordinance returned to Committee.

MRS. BROMLEY said that she agreed with Mr. DeLuca and Mr. Rubino but would vote to return the item to Committee to save republishing and from the comments heard this evening, the Committee will take a second look at Mr. Rubino's ordinance and amend it. Mrs. Bromley said she endorsed what Mr. DeLuca said that if the ordinance was in place three months ago, we would not have fireworks that none of us want to spend money for. Mrs. Bromley said she would vote reluctantly to recommit.

MR. MARTIN said that some people are frustrated with the length of time this ordinance is taking and that he is also very frustrated. He said that a year ago, an opinion was received, which in his judgment, a worse opinion could not have been received until last week. Mr. Martin said there were numerous inconsistencies; it referred to transcripts which disapproved the point that was trying to be made, and over the past year, he has done all possible to get the situation resolved.

LEGISLATIVE & RULES COMMITTEE: (continued)

MR. MARTIN said what the ordinance said before was to try to create a captured authority and a captured authority is not permitted under state law. Mr. Martin said that Mr. Rubino's ordinance as drafted also creates a captured authority, therefore, if the ordinance is understood correctly, would create a problem. He said the ordinance should be returned to Committee.

MR. OWENS Moved the question. Seconded.

PRESIDENT GOLDSTEIN called for a vote to Move the question. APPROVED by voice vote with no dissenting votes.

PRESIDENT GOLDSTEIN proceeded to a vote to recommit the proposed ordinance concerning the Coliseum Authority. APPROVED by a vote of 25 yes and 9 no votes.

2. (L&R21.83) FOR FINAL ADOPTION - PROPOSED ORDINANCE GUARANTEEING LEGISLATIVE ACCESS TO CITY RECORDS AND DATA. Submitted by Reps. David Martin, D-19 and Maria Nakian, D-20, 3/8/91. Approved for publication 4/1/91. Approved for republication 5/6/91.

APPROVED ON CONSENT AGENDA

3. (L&R21.86) REQUEST FOR WAIVER AND REFUND OF BUILDING PERMIT FEE \$12,400 PAID ON PERMIT NO. 70359, 2/14/91 BY CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS. (Check should be made to Chuck Kerega, 9100 Purdue Road, Suite 100, Indianapolis, Indiana 46268, ref. #536-2083-77) Requested by Linda A. Schaffier, AIA, SMS Architects, P.C., 59 Grove Street, New Canaan, CT 06840, 3/18/91. Held in Committee 5/6/91.

MRS. NAKIAN said the Committee voted in favor of the refund by a vote of seven in favor and one opposed. Mrs. Nakian Moved for approval. Seconded.

PRESIDENT GOLDSTEIN called for a vote to approve the waiver and refund of a building permit fee paid by the Church of Jesus Christ of Latter-Day Saints. APPROVED by voice vote with two no votes, Mrs. Maihock and Mr. DeLuca.

4. (L&R21.87) FOR FINAL ADOPTION - PROPOSED RESOLUTION CONCERNING TRACKING THE CITY'S USE OF MINORITY BUSINESS ENTERPRISES. Submitted by Richard A. Robinson, Asst. Corporation Counsel, 4/1/91. Approved for publication 5/6/91.

APPROVED ON CONSENT AGENDA JWITH ONE NO VOTE, MR. WHITE.

LEGISLATIVE & RULES COMMITTEE: (continued)

5. (1&R21.89) MATTER OF PAYMENT OF LATE TAXES BY PERSONAL CHECK IN TAX COLLECTOR'S OFFICE. Submitted by Rep. W. Dennis White, D-1, 4/5/91. Held in Committee 5/6/91.

HELD IN COMMITTEE

6. (1&R21.91) FOR PUBLICATION - PROPOSED ORDINANCE AMENDING SECTION 231-46 OF THE CODE OF ORDINANCES CONCERNING TRUCK PARKING ON RESIDENTIAL STREETS. Submitted by Rep. Maria Nakian, D-20, 4/10/91. Held in Committee 5/6/91.

HELD IN COMMITTEE

7. (1&R21.96) REVIEW WHETHER OR NOT THE 350TH ANNIVERSARY COMMITTEE SET UP BY THE MAYOR IS OBLIGATED TO FOLLOW PURCHASING PROCEDURES IN ORDINANCE RECENTLY APPROVED BY THE BOARD OF REPRESENTATIVES. Submitted by Rep. Robert DeLuca, R-14, 4/16/91. Held in Committee 5/6/91.

HELD IN COMMITTEE - Opinion from Corporation Counsel requested; to date no opinion received.

MR. DeLUCA said if the item is Held, July 6 is approaching and the Board will not have an opportunity to vote on the item.

Mr. DeLuca Moved to take the item out of Committee. Seconded.

PRESIDENT GOLDSTEIN called for a vote to take item seven out of Committee. APPROVED by voice vote with some dissenting votes.

MR. DeLUCA quoted from the opinion received regarding "Coliseum Authority - Budgetary Process," - "Section 6-35 of the Code supports the conclusion that the Coliseum Authority is subject to the mandates of the Charter. This section provides that: The Commissioner of Finance is hereby designated Director of the Authority and shall be responsible for its operation, management, efficiency, discipline and good conduct, subject to the Board of Representatives." Mr. DeLuca said if that holds true, should we not be voting on the \$55,000 for the fireworks?

MR. MARTIN said the Committee was informed that the specific grant \$55,000 by the Coliseum Authority would not be a matter before the Board; however, the section Mr. DeLuca referred to was important and there are legitimate questions to be raised. Mr. Martin said the real point is should the Board of Representatives be voting on the spending plan by the City to spend \$55,000 for fireworks and it did not matter whether the money came from taxes, bonding, state grant or grants from the Coliseum Authority. Mr. Martin said an opinion was requested on that many times and still has not been received.

MR. DeLUCA stated that he did not know whether it was a rumor that a comment was made by Richard Robinson, Asst. Corporation Counsel at the meeting, whether it was off or on the record, that the Mayor acted illegally by signing the contract. Mr. DeLuca said if that was stated, would that not serve as an opinion?

LEGISLATIVE & RULES COMMITTEE: (continued)

MRS. NAKIAN said she never heard the statement or anyone say that it was made. She did not know. She said the Committee was told that the contract was signed, she believed, on April 15, and the purchasing ordinance went into effect on April 19, therefore, the contract was signed before the ordinance. Mrs. Nakian said she could not speak as to what Mr. Robinson may have said.

Mrs. Nakian said as far as spending the money, she agreed that the 350th Anniversary Committee is an entity of the city and like all other entities of the city, any monies received in any way, are appropriated to a line item. Mrs. Nakian stated that that was the procedure that should have been followed and she said she was upset because the Board was denied the legislative right to act on appropriations.

MR. DeLUCA asked if the Board had any recourse unless an opinion is received which will be after the fact?

MR. MARTIN said that he did not know.

MR. BLUM stated that in the federal and state government, the legislative branch has power but in this city government, the legislative branch has no power. He said not only was \$55,000 received from the Coliseum Authority for the fireworks but also \$30,000 will now be spent on a parade.

8. (1&R21.95) CONSIDER BOARD OF REPRESENTATIVES RETAINING ITS OWN LEGAL COUNSEL. Submitted by Rep. W. Denniw White, D-1, 4/17/91.

HELD IN COMMITTEE

9. (1&R21.99) FOR PUBLICATION - PROPOSED ORDINANCE FOR THE FORMATION OF A SPECIAL SERVICE DISTRICT IN THE DOWNTOWN STAMFORD AREA. Submitted by the Chamber of Commerce Downtown Retail Management Committee (per letter from Schatz & Schatz, Ribicoff & Kotkin, 5/13/91)

Above also referred to URBAN RENEWAL COMMITTEE.

HELD IN COMMITTEE

10. (1&R21.100) FOR PUBLICATION - PROPOSED ORDINANCE AMENDING ORDINANCE NO. 669 SUPPLEMENTAL CONCERNING PURCHASING OF SUPPLIES, MATERIALS, EQUIPMENT AND SERVICES. (Amending to include contract administration and compliance) Submitted by Reps. Maria Nakian, D-20 and David Martin, D-19, 5/15/91.

MRS. NAKIAN said that it has been brought to the attention of the Committee from many sources that the employees and department heads who are involved in purchasing are having trouble implementing the ordinance for many reasons. She said much was due to a misunderstanding of the ordinance and some language in the ordinance which has to be clarified. Mrs. Nakian said the Committee will be sitting down with department heads and those involved in purchasing to hear their concerns and gather input so that any amendments needed can be made at one time.

LEGISLATIVE & RULES COMMITTEE: (continued)

MRS. NAKIAN stated that what the Committee heard most was that the employees were very afraid that as the ordinance is worked through, if anything wrong is done for whatever reason, they will be brought up on ethics charges. She said this was terrifying a lot of people and holding up the process of purchasing, and creating an atmosphere in the government, "I can't do it" rather than, "if I really put my mind to it, I could do it but I'm afraid to."

Mrs. Nakian stated that the Committee had two proposals to submit to the Board: An amendment to the ordinance itself which will delay implementing the clause tying it to the Code of Ethics until December 1st with the hope that if people are not afraid of this charge, they will put their energies into implementing the ordinance. Mrs. Nakian said the only change would be to add the words "As of December 1, 1991.," She said all members received copies of the change. Mrs. Nakian said the Committee voted 6-0-0 for approval and Moved. Seconded.

Mrs. Nakian said the Motion for publication was to Amend Ordinance No. 669, Section 14 A. Violations and Penalties by adding the words, "As of December 1, 1991." Mrs. Nakian said if the amendment was approved, the Committee would ask the Board to waive publication of the amendment because of the somewhat emergency situation in regards to purchasing in the city.

Mrs. Nakian Moved to waive publication on the amendment as articulated. Seconded.

MR. BOCCUZZI asked if a vote should be first taken on the amendment and then waive publication of the ordinance?

PRESIDENT GOLDSTEIN stated that we would be publishing an amendment to the ordinance and the intent of the Board now is to waive; we must first vote on the waiving, otherwise we would be voting on publication.

MRS. BROMLEY said she believed the situation is one for waiving publication. She did not believe there has been any misunderstanding of the ordinance by the part of those who are suppose to be leading the enactment of the ordinance. Mrs. Bromley said she thought there was a deliberate misleading on the part of those responsible for delivering the ordinance. Mrs. Bromley stated that she was frustrated by the fact that in the last six months, every effort made by the Board was muddled. Mrs. Bromley said the intent of Ordinance 669 was to insure the integrity of city purchasing procedures and to make sure that those procedures are protected at all times. She said benefits received by the citizens must be maximized from the procedures to receive the best service at the lowest cost at all time.

Mrs. Bromley stated that it was difficult to fathom why those responsible have created the sense of emergency. She did not know whether business as usual was easier to implement and it was more difficult to work with the new ordinance or was it something more sinister than that. Mrs. Bromley said that in the hysteria created going down the ranks of those responsible for working with the ordinance and educating those working with the ordinance, has been astounding.

LEGISLATIVE & RULES COMMITTEE: (continued)

MRS. BROMLEY said the Committee has been on record to be open minded and to listen and respond to any criticisms quickly and thoroughly. Mrs. Bromley said what was brought back was more hysteria. She said it was imperative that publication be waived.

Mrs. Bromley said that on Wednesday afternoon at 4 p.m., the Committee will be meeting with city departments for their input.

MR. ZELINSKY wanted clarification on the amendment. He asked if the amendment was in the paragraph reading under "Section 14, A. Violations and Penalties is hereby amended to read as follows: As of December 1, 1991, any willful violation of this ordinance shall be considered to be a violation of this ordinance shall be considered to be a violation of the Code of Ethics of the City of Stamford." He wanted to know if the rationale was incorporated or just the paragraph?

MRS. NAKIAN said it was just the paragraph.

MR. ZELINSKY said that publication should be waived as there are serious concerns by many employees pertaining to the original ordinance as far as interpretations. He said the Board and many of the employees have different interpretations of the ordinance, therefore many of the employees may feel that they may be possibly in violation of the Code of Ethics and they would be hesitant in certain areas of the ordinance. Mr. Zelinsky stated that this clarification of not having anyone brought up on charges would be helpful and would expediate complying with the ordinance.

MR. DeLUCA Moved the question. Seconded.

PRESIDENT GOLDSTEIN called for a vote to Move the question. APPROVED by voice vote with no dissenting votes.

PRESIDENT GOLDSTEIN proceeded to a vote to waive publication of the ordinance. APPROVED by a vote of 31 yes and one no vote.

MRS. NAKIAN Moved for the final adoption amending Ordinance No. 669. Seconded.

MRS. MAIHOCK said she expressed her appreciation to Mrs. Bromley for her concern and efforts to try to improve the purchasing ordinance. Mrs. Maihock stated that she had concern regarding the advisability of incorporating some type of amendment such as this one into the main ordinance whereby, at one time, it's a violation of the ordinance to do something erroneous and then as of December 1, the willful violation will be a violation. Mrs. Maihock said this was a bit confusing to her. She said if it is going to be a violation, it going to be a violation. Mrs. Maihock said she wondered about the necessity to have an amendment to an ordinance to indicate that.

LEGISLATIVE & RULES COMMITTEE: (continued)

MR. MARTIN said the amendment was a statement by the L&R Committee and the Board that we want to work with employees of the city who put forth a good faith effort to purchase properly at the lowest cost and best service available and are trying to obey the ordinance. Mr. Martin said there has been an atmosphere of hysteria created by some people for their own political purposes that is getting in the way. Mr. Martin said everyone wants to work with the employees to get the best possible system going and no one wants the employees to feel personally threatened over technical issues where they are not getting the leadership and direction from the city administration.

MRS. MELLIS said the amendment would be giving everyone a six-month grace period to workout the problems that arise.

MR. NANOS Moved the question. Seconded.

PRESIDENT GOLDSTEIN called for a vote to Move the question. APPROVED by voice vote with no dissenting votes.

PRESIDENT GOLDSTEIN proceeded to a vote for the final adoption to amend Ordinance No. 669. APPROVED by 30 yes and two no votes.

MRS. NAKIAN said as a second piece of legislation to the above item is a Sense-of-the-Board Resolution.

10A. SENSE-OF-THE-BOARD RESOLUTION CLARIFYING THE INTENT OF THE BOARD OF REPRESENTATIVES REGARDING ORDINANCE NO. 669 SUPPLEMENTAL CONCERNING PURCHASING OF SUPPLIES, MATERIALS, EQUIPMENT AND SERVICES. Submitted by Legislative and Rules Committee 6/3/91.

MRS. NAKIAN said the intent of the resolution is to clarify several points in the ordinance; it does not change anything in the ordinance but makes plain what is meant by some words. Mrs. Nakian stated that in many cases, employees feel they cannot make a purchase for a reason that was not intended in the ordinance and this resolution would make it clear to those purchasing as to what was intended. Mrs. Nakian said that four specific cases are listed in the ordinance that the Committee and the Board intended.

Mrs. Nakian Moved for approval of the resolution. Seconded.

MRS. BROMLEY requested consideration to appoint or ask city employees most familiar with the intricacies of their department to perhaps be an advisory committee to the L&R Committee as this legislation is worked on.

MRS. NAKIAN said that perhaps it would be better to sit down with departments at scheduled meetings and then come up with a list of points that should be addressed. Mrs. Nakian stated that at this point, she would like to receive input before the process is widened.

MRS. BROMLEY thought that was the best way to go.

PRESIDENT GOLDSTEIN stated that if approved, the resolution will be sent to the Mayor's office as well as all department heads.

PRESIDENT GOLDSTEIN proceeded to a vote to approve the Sense-of-the-Board resolution. APPROVED by voice vote with one no vote, Mr. Pia.

LEGISLATIVE & RULES COMMITTEE: (continued)

MRS. NAKIAN Moved to approve the Consent Agenda. Seconded.

PRESIDENT GOLDSTEIN called for a vote to approve the Consent Agenda. APPROVED by voice vote with no dissenting votes.

MR. WHITE wanted the record to note that he voted no on item four.

MRS. NAKIAN Moved to Suspend the Rules to consider a Sense-of-the-Board Resolution not on the Agenda. Seconded.

PRESIDENT GOLDSTEIN called for a vote to Suspend the Rules. APPROVED by voice vote with no dissenting votes.

14. SENSE-OF-THE-BOARD RESOLUTION PROTESTING NON-COMPLIANCE WITH CITY ORDINANCE CONCERNING BACKYARD REFUSE PICK-UP AND SUPPORTING PLAINTIFFS IN LAWSUIT. Submitted by Rep. Michael D. Larobina, D-16, 6/3/91.

MRS. NAKIAN said the Board has heard dissatisfaction with the fact that the process is not being followed in the city government at this time. Mrs. Nakian stated it was very distressing and in particular to the Legislative and Rules Committee who worked so hard producing, writing and passing ordinances for the governing of the city. She said that there seems to be the idea that ordinances do not have to be enforced and one can pick and choose as to the ones to enforce or appropriate money for.

Mrs. Nakian said the resolution protests the non-compliance with city ordinance and supports the efforts of the plaintiffs in the lawsuit and asked that the Mayor and the Commissioner of Public Works enforce the duly enacted law of the City of Stamford; an ordinance passed by the Board regulating the pickup of garbage in the city. The Committee voted 6-0-0 for approval. Mrs. Nakian Moved for approval. Seconded.

LEGISLATIVE & RULES COMMITTEE: (continued)

MR. BLUM said he was in support of the resolution and urged his colleagues to support it and the plaintiffs in Court tomorrow.

MR. DeLUCA said he supported the resolution and hoped that in Court tomorrow, the plaintiffs prevail. He said he was disturbed because when voting on the 1990/91 budget, money was in the account. Mr. DeLuca said he called Frank Harrison, Budget Director regarding the item and Frank stated that \$3.2 was approved for collection, and at the end of March, a nine-month period, \$2.1 was spent; approximately \$233,000 was spent each month. Mr. DeLuca said that figuring to the end of the fiscal year, \$2.8 million would be spent against the budgeted \$3.2, leaving a surplus of \$400,000. Mr. DeLuca said he was concerned about the fact that if the money is in the budget, how can the Mayor stop backyard garbage pickup beginning on June 3? Mr. DeLuca said that perhaps the surplus is being planned to be used to offset other accounts that may have been mismanaged as seen in the past, or perhaps to have a surplus for the end of the fiscal year to make the administration look good.

MR. ESPOSITO said that lately the city has lurched from one crisis to another. He said the issue of the backyard collection was the latest crisis. Mr. Esposito wondered why the Board and the city is never confronted with compromised options rather than administrative extreme alternatives? He said in relation to the curbside pickup situation, wouldn't it be possible for backyard pickup once a week as recycling efforts have reduced the volume of waste and the once a week collection could be appropriate until the current economic situation changes. Mr. Esposito said perhaps people can pay a small fee for monthly optional backyard pickup or frontyard pickup as an alternative to curbside pickup. Mr. Esposito said that perhaps we should think about the pails taken to the curb and temporarily, have the city's current collection force continue current backyard pickup carrying only plastic bags to the street eliminating the need to return the pails to the backyard.

Mr. Esposito said he was concerned about the curbside pickup over the backyard collection and the affect on the seniors in the city. He said that he saw no provisions in writing made for the handicapped or the frail elderly to help them get the garbage to the curb. Mr. Esposito said he was not in favor of curbside pickup and wanted backyard pickup to be reinstated.

MR. RUBINO Moved the question. Seconded.

PRESIDENT GOLDSTEIN called for a vote to Move the question. APPROVED by voice vote with no dissenting votes.

PRESIDENT GOLDSTEIN called for a vote to approve the Sense-of-the-Board Resolution protesting the non-compliance with city ordinance concerning backyard refuse pickup and supporting the plaintiffs in the lawsuit. APPROVED by a vote of 31 yes and one abstention.

MR. LAROBINA requested a certified copy of the resolution for the plaintiff's attorney that was present this evening. He said the copy is needed for tomorrow's Court hearing. Seconded.

LEGISLATIVE & RULES COMMITTEE: (continued)

PRESIDENT GOLDSTEIN said that Mr. Larobina's request was in order as the resolution was approved specifically to give the Court an indication of the sentiments of the Board.

MRS. BROMLEY Moved to approve the request. Seconded.

PRESIDENT GOLDSTEIN called for a vote to approve the request for a certified copy of the resolution to be presented in court tomorrow. APPROVED by voice vote with no dissenting votes.

PERSONNEL COMMITTEE - Scott Morris, Chairman - No report.

PRESIDENT GOLDSTEIN called for a vote to approve the petition. APPROVED by voice vote with no dissenting votes.

2. STATUS REPORT ON REASSESSMENT. Requested by Rep. David I. Blum, D-12, 5/15/91.

MR. JACHIMCZYK said Tax Assessor Frank Kirwin informed the Committee that information on all properties in Stamford has been put into a computer; the information was on approximately 36,000 parcels of land, and the information collected was much more thorough than in the past as the cards will include a picture of the property as well as about 45 separate items of data for each residential property and much more data for commercial properties.

Mr. Jachimczyk said the current schedule for the reassessment process is as follows: October 1, 1991, the new property values will be set and then listed on approximately 100,000 cards in the Assessor's office; the listing on the cards should be completed by early November, 1991, at which time every property owner in Stamford will receive notice from the City telling them what their property has been reassessed at.

PLANNING & ZONING COMMITTEE: (continued)

MR. JACHIMCZYK stated that informal hearings will be then set up to answer any questions property owners may have or to correct any wrong information. Mr. Jachimczyk said that if any owner is still not satisfied, the Board of Tax Review will schedule hearings between March and April of 1992, for an aggrieved owner to appeal the assessment. Mr. Jachimczyk said that the new tax bills will be sent to all property owners with the July, 1992 tax bill.

Mr. Jachimczyk said that Mr. Horanski of KVS Information Systems provided more background information on all the variables going into the reevaluation process. Mr. Jachimczyk stated that Mr. Kirwin would like to invite the Board of Representatives to come to his office sometime in late August or early September, to show the Board how the entire process will work. Mr. Jachimczyk said that Mr. Kirwin believes that the more information the Board of Representatives and the Board of Finance has about the reevaluation process, the more informed the public will be and there should be less confusion this time than in the past. Mr. Jachimczyk stated that so far the reevaluation process is going smoothly and the Committee was impressed with the thoroughness of the Assessor's office and KVS Information Systems.

PUBLIC WORKS & SEWER COMMITTEE - Peter Nanos, Chairman

MR. NANOS said the Public Works and Sewer Committee met on Thursday, May 30, 1991.
