President Curtis read the attached letter from Rep. Florio:

Dear Mayor Simmons:

Rest assured, this was not an easy decision. After 35 years as a Stamford resident and active member of the community, we sold our home in District 18. Our hope and expectation was to purchase or rent within the district so I could retain my Board of Representative position. Unfortunately our search for District 18 residency has been fruitless to date.

As a result and in the best interest of my constituents and the residents of Stamford, I will be resigning from my Board of Representative position effective immediately.

I looked forward to working with you and the new administration in addition to the 31st Board of Representatives, a very solid, dedicated group of committed residents of the City.

Needless to say, I wish you and the great city of Stamford all the best in the future.
Sincerely
Charles Florio
