Re: Contracts Tracking Report for the Period: January 1, 2020 – June 30, 2020

In accordance with the Purchasing Ordinance, included herewith is the Contracts Tracking Report.

- (1) A list of all valid and approved contracts for goods and services, which are likely to exceed \$100,000.00 listed by contractor or service provider.
- (2) The expiration date of all such contracts, if applicable.
- (3) The scope of services for all such contracts.
- (4) The compensation provided for in all such contracts.

Please keep in mind that the term **“Year to Date Added / Actual Expense”** as used in all of the Biannual Reports generally **refers to purchase orders that are either issued, increased, decreased or cancelled.**

In addition, the Purchasing Ordinance requires the Contracts Compliance Officer to list contractors and service providers who are providing goods and services without a contract. To my knowledge, there are no contractors or service providers that are providing services to the City without a contract.

Natasha Townsend,
Contract Compliance Officer

Cc: Erik Larson, Purchasing Agent
Lyda Ruijter, Town & City Clerk
