RE: Disposal of Surplus City Property

Pursuant to Section 23-18.13 of the Purchasing Ordinance (Surplus Personal Property and Equipment), upon written approval of the Mayor, the Purchasing Agent may dispose of City surplus or unusable equipment.

In this regard, I am hereby requesting that you approve of the disposal of the items listed below and currently located in the Engineering Department. According to the Engineering Department, all of the items are damaged, not functional and outdated. The department attempted to dispose of the property at auction. No bids were received. It is therefore my recommendation that these items be properly disposed of through the City's recycling/solid waste disposal programs as requested.

If disposal of these items meets with your approval, please so acknowledge by signing the attached forms (or alternatively by signing below) and returning same to me.

Thank you.

Items for disposal
