**DATE:** September 28, 2020  
**RE:** Disposal of Surplus City Property

---

Pursuant to Section 23-18.13 of the Purchasing Ordinance (Surplus Personal Property and Equipment), upon written approval of the Mayor, the Purchasing Agent may dispose of City surplus or unusable equipment.

In this regard, I am hereby requesting that you approve of the disposal of the items identified on the attached forms and currently located at the E. Gaynor Brennan Golf Course. According to the department the items are surplus and obsolete vehicles, parts and equipment. In many cases the items are no longer usable/functional. As such they do not have value beyond scrape value. It is therefore my recommendation that these items be properly disposed of through the City's scrap metal recycling program as requested.

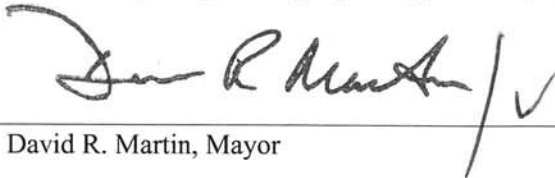

If disposal of these items meets with your approval, please so acknowledge by signing the attached forms (or alternatively by signing below) and returning same to me.

Thank you.

**Items for disposal (See attached)**

Turfco Meter Matic (1981)  
Reelmaster 5300D (1996)  
Hahn Multipro 44 (1991)  
Jacobson HR 5111 (1997)  
Rogers Aeroblade Seeder (1989 est.)  
Smithco Trap Rake (1989)  
Toro Greens Aerator (1985 est.)

Disposal via the City scrap metal program approved by Mayor David R. Martin:

**TO:** David R. Martin, Mayor  
**FROM:** Erik J. Larson, Purchasing Manager  
**DATE:** September 28, 2020  
**RE:** Disposal of Surplus City Property

---

Pursuant to Section 23-18.13 of the Purchasing Ordinance (Surplus Personal Property and Equipment), upon written approval of the Mayor, the Purchasing Agent may dispose of City surplus or unusable equipment.

In this regard, I am hereby requesting that you approve of the disposal of the items identified on the attached spreadsheet and currently located with Stamford Police Department Fleet Maintenance Division. According to the department the items are surplus and obsolete vehicles, parts and equipment. In many cases they are not in use by the department, nor does the department anticipate a need for the equipment. It would not be economical to attempt to repair the vehicles. It is therefore my recommendation that these items be properly disposed of through the City's auction program as requested.

If disposal of these items meets with your approval, please so acknowledge by signing the attached forms (or alternatively by signing below) and returning same to me.

Thank you.

Make & Model: Mack MC Rescue **SFD-2020-16**

VIN: 1M2H197C5LM001125

Year: 1990

Mileage: 45,500

Description: Unit decommissioned by SFD and transferred to the SPD. While used by SPD the vehicle was painted Black & White. In 2012 the SPD no longer needed the vehicle and it was returned to the SFD. Unit is obsolete and is no longer needed by the SFD.

Make & Model: HME Silver Fox Pumper **SFD-2020-17**

VIN: 44KFT42882WZ20013

Year: 2002

Mileage: Last known mileage 58,073

Description: Unit decommissioned due to material loss on frame and broken tank support. Unit has been used to supply parts for other similar vehicles in the fleet. No transmission computer, no CLASS1 multiplex relay board for cab, incomplete instrument panel.

**Make & Model: HME 1871-Spector 75' Quint SFD-2020-18**

VIN: 44KFT64828WZ21322

Year: 2008

Mileage: 49,932

Description: Unit decommissioned due to crack in aerial and severe frame rot. Unit would not pass annual aerial inspection. Aerial manufacturer is no longer in business. One stabilizer is broken. Unit is unable to be used for firefighting or training activities.

**Make & Model: Freightliner FL70 Rescue SFD-2020-19**

VIN: 1FV6HLCA0YHG10123

Year: 2000

Mileage: 72,851

Description: Unit decommissioned due to crack in drop frame and several cracks in body.

**Make & Model: Sutphen Deluge Pumper SFD-2020-20**

VIN: 1S9A1BDD8D1003194

Year: 1984

Mileage: 26,099

Description: Vehicle is obsolete and cannot pass a pump test. Apparatus was donated to the SFD by Glenbrook Fire Department and was only utilized by the Stamford Regional Fire School.

**Make & Model: Sutphen MT-75 (75' Quint) SFD-2020-21**

VIN: 1S9A7LFD8V2003032

Year: 1997

Mileage: 55,493

Description: Vehicle is obsolete and cannot pass an aerial or pump test.

**Make & Model: Sutphen TS-100 Telescopic Aerial Platform SFD-2020-22**

VIN: 1S9A3JFE2T1003007

Year: 1996

Mileage: 53,389

Description: Body issue as well as issue with aerial hydraulics.

**SFD Vehicles for Auction Spring 2020 – Passenger Vehicles**

Make & Model: Toyota Prius Hybrid **SFD-2020-01**

VIN: JTDKB22U453095098

Year: 2005

Mileage: 164,881

Description: Vehicle needs work to engine and hybrid battery system. Not economical to repair due to age and cost of parts required to make vehicle safe and reliable for use.

Make & Model: Toyota Prius Hybrid **SFD-2020-02**

VIN: JTDKB22U957041501

Year: 2005

Mileage: 179,119

Description: Vehicle needs work to engine and hybrid battery system. Not economical to repair due to age and cost of parts required to make vehicle safe and reliable for use.

Make & Model: Toyota Prius Hybrid **SFD-2020-03**

VIN: JTDKB22U840083844

Year: 2004

Mileage: 82,891

Description: Vehicle needs work to engine and hybrid battery system. Not economical to repair due to age and cost of parts required to make vehicle safe and reliable for use.

Make & Model: Toyota Prius Hybrid **SFD-2020-04**

VIN: JTDKB22U840086291

Year: 2004

Mileage: 50,154

Description: Vehicle needs hybrid battery replaced and work to charging system. Not economical to repair due to age and cost of parts required to make vehicle safe and reliable for use.

Make & Model: Chevrolet Impala **SFD-2020-05**

VIN: 2G1WF52E729192243

Year: 2002

Mileage: 83,485

Description: Motor and transmission issue. Motor is unrepairable. Not economical to repair due to age and cost of parts required. Unit runs but overheats quickly after startup. Scrap value only.

**Make & Model: Ford F-250 4X4 Pickup SFD-2020-06**

VIN: 3FTHF26H6VMA15679

Year: 1997

Mileage: 39,273

Description: Motor issue. Oil pan rotted out. Severe frame and body rot. Not economical to repair due to the age and overall condition of the vehicle. Cannot be driven. Scrap value only.

**Make & Model: 1996 Sierra C/K 3500 Regular Cab (Low-Boy Dump) SFD-2020-07**

VIN: 1GDJK34F6TE538767

Year: 1996

Mileage: 83,244

Description: Severe frame and cab rot. Frame rotted through. Cannot be driven. Scrap value only.

**Make & Model: 1996 Ford Econoline E350 (Passenger Bus) SFD-2020-08**

VIN: 1FDKE30H8THB55849

Date of Manufacturing: 1996

Mileage: 86,553

**\*\*No title – only letter of transfer from Operations/Dial a Ride\*\***

Description: No need for vehicle. Former dive team truck. Condition of vehicle is very poor and the unit cannot be driven. Scrap value only.

**Make & Model: Chrysler Town & Country SFD-2020-09**

VIN: 2A4GP54L57R230493

Year: 2007

Mileage: 79,423

Description: Motor issue and transmission issue. Motor is not repairable. Not economical to repair due to the age and overall condition of the vehicle. Scrap value only.

**Make & Model: Dodge Ram 350 Passenger Van SFD-2020-10**

VIN: 2B5WB35Z9YK148082

Year: 2000

Mileage: 31,166

Description: Severe frame and body rot. Not safe for passenger transportation. Roof of vehicle is rotted through and allowing water to enter the passenger compartment.

**Make & Model: Dodge Stratus SFD-2020-11**

VIN: 1B3EL36T64N334592

Year: 2004

Mileage: 104,839

Description: Vehicle decommissioned due to severe rot. Transmission issue. Not economical to repair. Hood rotted through in area of the hood latch.

**Make & Model: International 3000 FE SFD-2020-12**

**VIN: 1HVBLAAR7XA020893**

**Year: 1999**

**Mileage: 38,463**

**Description: Vehicle donated to SFD for training. No longer needed. Unit runs but not drivable due to severe rot and structural deterioration in the rear of the vehicle.**

**RE:** Disposal of Surplus City Property

---

Pursuant to Section 23-18.13 of the Purchasing Ordinance (Surplus Personal Property and Equipment), upon written approval of the Mayor, the Purchasing Agent may dispose of City surplus or unusable equipment.

In this regard, I am hereby requesting that you approve of the disposal of the items identified on the attached form and currently located with the Stamford Police Department – Fleet Division. According to the department all useable parts have been removed and the only value remaining is in the scrap metal. It is therefore my recommendation that these items be properly disposed of through the City’s scrap metal recycling program as requested.

If disposal of these items meets with your approval, please so acknowledge by signing the attached forms (or alternatively by signing below) and returning same to me.

Thank you.

**Items for disposal (See attached)**

2016 Ford Interceptor Utility – B89075

*In by department personnel, please return to: Erik Larson City purchasing Agent.*

SPD Garage seeking permission to send the shell of 2016 Ford interceptor utility (B89075) to the city scrap metal recycling dealer (Rubinos) for disposal. This vehicle was involved in an accident back in April of 2017 case#1704210002. The driver of SPD19 was not at fault and the city received a check from the other vehicles insurance in the amount of \$10,000.00 . Since the accident the vehicle has been stripped of all useable parts. The interior police equipment as well as the light bar have been used to outfit a new vehicle. The remaining useable body parts ( 4 door 's, rt. fender, rear tailgate hatch and rear floor pan) have been used to repair several SPD vehicles. The drive train has been removed and the engine used in a SPD vehicle that had an engine failure. The transmission and rear differential assembly are being kept "in stock" to be used as needed. At this time, the only remaining value is scale weight as scrap metal.
