RE: 2000 – 2009 Ferguson Library Salary Increase Chart

At the Ferguson Library's budget hearing with the Board of Representatives' Fiscal Committee, you asked for staff salary increase information each year, going back to 2000. I have attached a report delineating our compensation adjustments since July, 2000.

Also included is a list of the percentage each employee contributed to the Library's health insurance plan for each fiscal year.

Please let me know if you need any additional information.
