

One thing I DO NOT need right now is another increase in property taxes and I do not understand how the mayor can pay for an increase in fire fighter salaries ( i.e. more firefighters) without an increase in taxes!!

Please do not make any changes to the Long Ridge Fire Department. I have lived in my house for 29.5 years and the Long Ridge Fire Department has performed admirably all this time. I have used them for a minor grass fire and medical emergencies.

In these tight fiscal times, this is not a time to be making changes to the department that will cost the city more money and thus raise property taxes. This is the time for fiscal conservatism and control.

I think it's nuts to dismantle the volunteer fire system. Has Malloy lost his mind?

A supporter of Dan Malloy until this.
