RE: Resolution Regarding the 2018-2019 Tuberculosis and Sexually Transmitted Disease Treatment and Control Program.

Dear Board Members:

Attached is a resolution authorizing an agreement with the State for the Sexually Transmitted Disease (STD) Control and the Tuberculosis Treatment and Prevention Services Programs.

The STD funds are used to operate a clinic for treatment and control of these infectious diseases, and the TB program provides care for people with tuberculosis and helps prevent further spread of the disease. In FY 2018-2019 the award for these two programs is anticipated to be \$100,100. The City anticipates a municipal contribution in the amount of \$93,938.

Please consider this resolution at your next regular meeting. If you have any questions about the program, please contact Dr. Jennifer Calder, Director of Health at (203) 977-4396.

Sincerely,

David R. Martin
Mayor
