Re: 2015 Neighborhood Assistance Act

Dear Board Members:

The Neighborhood Assistance Act allows nonprofit organizations to seek corporate funding that qualifies the corporation for a 60% tax credit. The City accepts proposals from eligible organizations which must then be read into the record at a public hearing. The governing body of each municipality must then approve all proposals before they are submitted to the State Department of Revenue Services by the July 1st deadline. This process requires advance planning to arrange for timely advertisement, filing of applications, public hearing and Board approval of the resolution.

To meet the State's deadline, the attached resolution is hereby submitted for consideration by the Board of Representatives at their June meeting. At that time, the resolution shall include a list of all programs approved at the public hearing. The hearing is tentatively scheduled to take place at the meeting of the Housing and Community Development Committee scheduled for May 19th. Thank you for consideration of this matter. If you have any questions, please contact Karen Cammarota, Grants Officer, at (203) 977-5709.

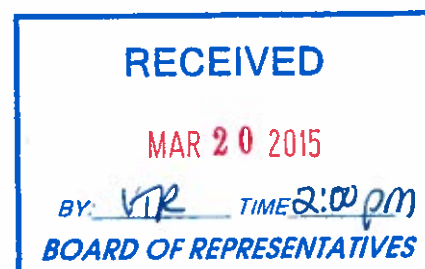

Sincerely,
