

Corners Community Housing Initiative

Corners Community empowers families, enhances youth development, and tackles Stamford's housing challenges through culturally specific support.

Our programs deliver workforce training, youth leadership, and sustainable housing solutions for lasting community impact.

 **2 Contributors**

Program Expansions for FY 25-26

1

Parent Support

Moms and Dads Meet-Ups now offer financial literacy, wellness, and parenting workshops.

2

Workforce Development

Enhanced ACT Initiative provides job training, resume support, and employment connections.

3

Youth Leadership

Corners Baseball expands to year-round training and leadership workshops.

4

Housing Initiative

Converting a six-family railroad-style building into sustainable community housing.

Building Stronger Communities

1 **Family Support Networks**
Enhanced programming for Black Moms and Dads creates vital community connections.

2 **Youth Development Pipeline**
Year-round Corners Baseball fosters leadership skills beyond the field.

3 **Housing Preservation**
Accelerated initiative restores generational homes and addresses housing insecurity.

4 **Economic Opportunity**
Expanded workforce services create pathways to financial stability.

Housing Initiative Impact

Preserve Heritage

Converting a six-family railroad-style building maintains neighborhood character.

Create Affordability

Sustainable design reduces long-term costs for residents.

Establish Model

Project serves as blueprint for future community housing efforts.

Build Stability

Secure housing creates foundation for family success and community growth.

Navigating Challenges

Current Obstacles

- Funding gaps for operational costs
- Staffing needs for expanded programs
- Complex property restoration logistics

Our Solutions

- Strategic partnerships with local businesses
- Grant applications for targeted funding
- Phased implementation approach

FY 24-25 Achievements

100+

Families Served

Through meet-ups and workforce initiatives

5

Housing Projects

Additional families identified for restoration

20+

Community Partners

New collaborative relationships established

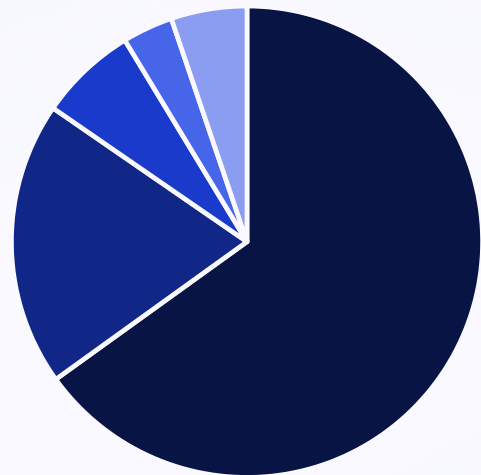

85%

Participant Retention

Strong community trust and engagement

Financial Roadmap

- Housing Renovation
- Staff Salaries
- Program Materials
- Marketing
- Operational Costs

Total income plan: \$230,500. Additional funding need: \$10,000 for housing renovations and expanded services.

Thank You!

1

Your Support Matters

With your funding, we can renovate blighted properties and create affordable housing options.

2

Empowering Youth

Together, we prepare young adults for successful futures through education and mentorship.

3

Building Community

Our partnership creates lasting positive change in Stamford's neighborhoods.
