Introduction

The City of Stamford, Connecticut is requesting proposals from qualified vendors to provide support and optimization services, on an as-needed basis, for its Oracle Fusion Cloud platform, Enterprise Resource Planning (ERP).

The full scope of work is described in the scope/specifications and drawings appended hereto.

Overview:

The City of Stamford is seeking proposals from qualified vendors to provide support and optimization services, on an as-needed basis, for its Oracle Fusion Cloud platform, Enterprise Resource Planning (ERP). The City is seeking proposals for testing and validation services for Oracle's quarterly updates. The City has a limited need to implement new modules (Cash Management and Lease Accounting). The City is seeking proposals from organizations with a proven history of success within the Oracle Fusion Cloud platform. Evaluation will be based on the value and suitability of the Proposer's services, with the ability to meet or exceed defined requirements, estimates, schedule, management experience, and the Proposer's overall business viability. This Request for Proposal ("RFP") sets forth the requirements for the support services and solicits a detailed response from firms to include functional and technical requirements, ongoing system maintenance and support, and pricing. The City reserves the right to award either a single contract for both support and implementation services and testing support or it may award multiple separate contracts for support, implementation, and or testing services. Proposals need to clearly describe and price these as separate services that may or may not be combined when the contract is awarded. If there are savings associated with awarding both services to your company, please describe those in a separate section.

Current Technical Environment

Overview

A centralized Information Technology (IT) department, in concert with departmental contacts, provides the City of Stamford (The City) support for information systems. System standards are established and approved through a formal process. Deviation from standards **must** be approved in writing.

Authentication Requirements

Upon approval, Proposers will receive Platform password-only access to our environments.

Networking Preferences

The City's networking infrastructure is maintained and managed solely by City personnel. Oracle Fusion Cloud infrastructure, as a hosted service, is maintained by Oracle Corporation. Proposers must take responsibility for specifying the requirements necessary for network communications as required to successfully implement the proposed system(s). To that end, the following concepts should be observed:

- The City's network configurations and components are not generally accessible to Proposers. Proposers will not be allowed to monitor, configure, or add network components to the existing infrastructure without prior written permission.
- The Proposers may propose additional network expansion or may instead choose to identify capacity requirements between devices to leverage existing infrastructure. Proposals for both approaches can be submitted for consideration.
- Proposers must specify bandwidth requirements between clients and servers, as well as between the various servers.
- Proposer is expected to define the required interface/connection between the wireless data infrastructure and the City network. This should include, but not be limited to, explanations of client-side software requirements, supported operating systems, device options, and bandwidth requirements. Wi-Fi networks, even owned by the City, are treated as "foreign networks" and will be subject to firewall controls. Applications should be "Wi-Fi aware": capable of queuing both the server and client side of transactions.
- Proposers must specify proposed demarcation of responsibilities between the City and the Proposer prior to system installation, testing, warranty, and maintenance.
- Remote Proposer support of application will leverage the City maintained VPN solution. Modems are not permitted in the City network infrastructure.

Security Requirements for SaaS and Cloud Applications

The City of Stamford has security requirements specifically targeting Software as a Service (SaaS) and cloud applications. These requirements are designed to ensure the protection of sensitive data and adherence to best security practices. Proposers must meet or exceed these standards to be considered for this project.

Data Protection and Privacy

To ensure the highest level of data protection and privacy for SaaS and cloud applications, the following measures must be implemented by the vendor:

Encryption:

- Data at Rest: All data at rest must be encrypted using robust encryption standards.
- Data Residency: The data must be stored and processed within the continental United States, ensuring compliance with local data residency and sovereignty laws.

The City of Stamford requests that all responding vendors follow the guidelines below:

Each copy of the submission shall contain the following sections:

- (c) a promise to develop and implement a successful affirmative action plan;
- (d) submission of employment statistics contained in the Connecticut Commission on Human Rights and Opportunities ("CCHRO") "Employment Information Form", indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) a promise to set aside a portion of the contract for legitimate minority business enterprises.

2. Non-Discrimination

- (a) The contractor agrees and warrants that in the performance of the contract, it will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the state of Connecticut. If the contract is for a public works project, the contractor agrees and warrants that it will make good faith efforts to employ minority business enterprises as subcontractors and supplies of materials on such project. The contractor further agrees to take affirmative action to ensure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved;
- (b) the contractor agrees, in all solicitations or advertisements for employees placed by or on

behalf of the contractor, to state that it is an "Affirmative Action-Equal Opportunity Employer" in accordance with regulations adopted by the CCHRO;

(c) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a copy of these provisions, advising the labor union or worker's representative of the contractor's commitments under these provisions and to post copies of the notice in conspicuous places available to employees and applicants for employment;

(d) the contractor agrees to comply with each provision of this section and Conn. Gen. Stat. Sections 4a-62, 32-9e, 46a-56 and 46a-68b to 46a-68k, inclusive, and with each regulation or relevant order issued by said CCHRO;

(e) the contractor agrees to provide the City with such information requested by the City, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor.

3. Subcontractors

The contractor shall include the provisions of subsection (2) in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the City and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the CCHRO. The contractor shall take such action with respect to any such subcontract or purchase order as the City may direct as a means of enforcing such provisions.

The contractor agrees to comply with the CCHRO's requirements as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

GIFTS:

During the term of this contract, including any extensions, the Contractor shall refrain from making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of the City of Stamford or the Stamford Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to the Contractor shall include its officers, directors, employees, and owners of more than 5% equity in the contractor. Violation of this provision shall constitute a material breach of this Agreement, for which this Agreement may be summarily terminated.

19. TERMINATION.

- A. **TERMINATION FOR CAUSE, SANCTIONS AND PENALTIES.** If, through any cause, the Consultant shall fail to fulfill, in a timely and proper manner, its obligations under this Agreement, or if the Consultant shall violate any laws or any of the covenants, agreements,

or stipulations of this Agreement, the City shall thereupon have the right to terminate this Agreement for cause by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In that event, all finished or unfinished reports, documents, data, studies, photographs, or other material prepared by the Consultant pursuant to its performance under this Agreement shall, at the option of the City, become the City's property. The Consultant shall be entitled to receive just and equitable compensation for any satisfactory services completed up to the effective date of termination. The Consultant shall not be responsible for any claims resulting from the City's use of the documents on another project or changes made to the documents without the Consultant's express written permission;

The term "cause" includes, without limitation the following:

- 1) If the Consultant furnished any statement, representation, warranty or certification in connection with this Agreement, which is materially false, deceptive, incorrect, or incomplete;
- 2) If the Consultant fails to perform to the City's satisfaction any material requirement of this Agreement or is in violation of any specific provision thereof or any State or Federal law or requirement; or
- 3) If the City reasonably determines that satisfactory performance of this Agreement is substantially endangered or can reasonably anticipate such an occurrence or default.

Should the City terminate this Agreement for cause, the Consultant shall not be relieved of liability to the City for any damages sustained by the City by virtue of any breach of this Agreement by the Consultant and the City may withhold any payment to the Consultant for the purposes of setoff until such time as the exact amount of damages due the City from the Consultant is determined. Further, if applicable, the City shall have the right to:

- 1) Complete the Scope of Services, or any part thereof, either by itself or by other consultants, at the expense of the Consultant;
- 2) Purchase the products or services that are the subject of this Agreement elsewhere and hold the Consultant responsible for any increase in cost;
- 3) Pursue any equitable remedy, including, but not limited to, specific performance or injunction; and/or
- 4) Disqualify the Consultant from bidding on, submitting proposals for, or being awarded any City contract for a period not to exceed two (2) years from the date of such termination;

B. TERMINATION FOR CONVENIENCE. The City may terminate this Agreement at any time the City determines that the purposes of the distribution of monies under the Agreement would no longer be served by the services provided. The City shall effect such termination by giving written notice of termination to the Consultant and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents and other materials as described Subsection A shall, at the option of the City, become property of the City. If the Agreement is terminated by the City as provided herein, the Consultant shall be paid an

amount which bears the same ratio to the total compensation as the services actually and satisfactorily performed to the effective date of termination bear to the total services of the Consultant pursuant to the terms of the Agreement, less payments of compensation previously made, and subject to the City's right of set off for any damages pursuant to the terms of the Agreement;

20. DISPUTE RESOLUTION.

- A. EXECUTIVE MEETING. The parties shall endeavor to resolve all claims, disputes, or other matters in controversy arising out of or related to this Agreement ("Claims") through a meeting of the chief executives of each party, or their respective designees ("Executive Meeting").

A request for an Executive Meeting shall be made by a party in writing and delivered to the other party. The request may be made concurrently with the filing of a non-binding mediation as set forth herein. The Executive Meeting shall be a condition precedent to mediation unless 30 days have passed after the Executive Meeting has been requested with no meeting having been held.

The Executive Meeting shall be held in the place where the Project is located, unless another location is mutually agreed upon.

- B. MEDIATION. Any Claim subject to, but not resolved by, an Executive Meeting shall be subject to mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation.

The request may be made concurrently with the filing of arbitration but, in such event, mediation shall proceed in advance of arbitration, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration is stayed pursuant to this Section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

- C. ARBITRATION. Any Claim subject to, but not resolved by, mediation shall, in the sole discretion of the City, be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its applicable rules and procedures in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the Claim would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for

arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the Claim.

The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law.

Any judgment will be entered or court action will be brought in a court of competent jurisdiction within the State of Connecticut.

- D. **PERFORMANCE DURING DISPUTE.** Unless otherwise directed by the City, the Consultant shall continue performance under this Agreement while matters in dispute are being resolved.
- E. **CLAIMS FOR DAMAGES.** Should either party to this Agreement suffer injury or damage to person or property because of any act or omission of the other party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage;

21. COMPLIANCE WITH LAWS. The Consultant shall be responsible for compliance with all applicable federal, state and local laws, rules, regulations, codes, orders, ordinances, charters, statutes, policies and procedures;

22. CONFIDENTIALITY. During and after the Term of this Agreement, the Consultant, including, without limitation, its employees, agents, servants and representatives, shall not directly or indirectly disclose or make available to any person, firm, corporation, association or other entity of any reason or purpose whatsoever, or use or cause to be used in any manner adverse to the interest of the City, any financial, administrative or other confidential business information, except as require by law;

23. SETOFF OF PROPERTY TAXES OWED TO THE CITY OF STAMFORD. Pursuant to the City of Stamford Code of Ordinances Section 23-18.4.1 and Section 12-146b of the Connecticut General Statutes, as amended, the Consultant hereby acknowledges that the City shall have the right to set-off or withhold any payment, or portion thereof, due to the Consultant pursuant to this Agreement if any taxes levied by the City of Stamford against any property, both real and personal, owned by the Consultant are delinquent and have been so delinquent for a period of not less than one year. Any amount withheld from the Consultant pursuant to this section shall be applied to the Consultant's delinquent taxes, provided, however, that no such amount withheld shall exceed the amount of tax, plus penalty, lien fees and interest, outstanding at the time of withholding;

24. GIFTS. During the Term of this Agreement, including any extensions, the Consultant shall refrain from making gifts of money, goods, real or personal property or services to any appointed or elected official or employee of the City of Stamford or the Stamford Board of Education or any appointed or elected official or employee of their Boards, Commissions, Departments, Agencies or Authorities. All references to the Consultant shall include its members, officers, directors, employees, and owners of more than 5% equity in the Consultant;

25. CODE OF ETHICS. The Consultant is prohibited from using its status as a consultant to the City to derive any interest(s) or benefit(s) from other individuals or organizations and the Consultant shall comply with the prohibitions set forth in the Stamford Municipal Code of Ethics as codified in Chapter 19 of the City of Stamford Code of Ordinances;

26. MORALS CLAUSE. Neither the Consultant, the Consultant's Representatives nor the Consultant's key personnel shall commit any act or do anything which might reasonably be considered: (i) to be immoral, deceptive, scandalous or obscene; or (ii) to injure, tarnish, damage or otherwise negatively affect the community and/or the reputation and goodwill associated with the City. If the Consultant, the Consultant's Representative or the Consultant's key personnel is accused of any act involving moral or ethical issues, dishonestly, theft or misappropriation, under any law, or any act which casts an unfavorable light upon its association with the community and/or the City or the Consultant is accused of performing or committing any act which could adversely impact the Consultant's events, programs, services, or reputation, the City shall have the right to terminate this contract upon fifteen (15) days written notice specifying the reason, within which period the Consultant may cure such offense. The determination of whether and to what extent the offense is cured shall be made by the City at its sole discretion;

27. NON-APPROPRIATION. The Consultant acknowledges that the City is a municipal corporation, that the City's obligation to make payments under this Agreement is contingent upon the appropriation by the City's Board of Representatives of funds sufficient for such purposes for each budget year in which the Agreement is in effect;

28. GOVERNING LAWS. The parties deem this Agreement to have been made in the City of Stamford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Agreement to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Fairfield, at Stamford, only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court. The Consultant hereby waives any objection which it may now have or will have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding;

29. INTERPRETATION. The Consultant agrees that, in the event of any ambiguity between the terms of this Agreement and any of the incorporated Exhibits, the City, in its sole discretion, shall determine the terms and/or document(s) which shall prevail and take precedence, except for those terms relating to the Scope of Services or Compensation, to which such terms this section shall not apply; and

30. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. The counterparts shall together constitute but one Agreement. Any signature on a copy of this Agreement or any document necessary or convenient thereto sent by facsimile, PDF or other electronic format shall be binding upon such transmission and the facsimile, PDF or other electronic format copy shall be deemed an original for the purposes of this Agreement.

31. NON-WAIVER. The failure of the City to insist upon strict performance of any of the terms, conditions or covenants herein shall not be deemed a waiver of any rights or remedies that the City may have; and shall not be deemed a waiver of any subsequent breach or default of the terms, conditions or covenants herein contained. The City reserves the right to require strict compliance therewith at any time, with or without notice, except as may be otherwise required herein.

32. STANDARD OF CARE AND REPRESENTATIONS. In performing the Scope of Services, the Consultant will use that degree of care and skill ordinarily exercised under similar circumstances by members of its profession practicing in the same or similar locality (the "Standard of Care"). The Consultant represents that it is qualified in relation to the Scope of Services and further represents that it has the requisite skill, expertise, and knowledge necessary

to perform the Scope of Services, including any supplementary services, in accordance with the Standard of Care. The Consultant hereby acknowledges that the City has relied upon said representations in entering into this Agreement;

(Revised 09/3/15)

The contract to be awarded is subject to contract compliance requirements mandated by [Sections 4a-60](#) and [4a-60a](#) of the Connecticut General Statutes; and, when the awarding agency is the State, [Sections 46a-71\(d\)](#) and [46a-81i\(d\)](#) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at [Section 46a-68j-21 through 43](#) of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by [Sections 4a-60](#) and [46a-71\(d\)](#) of the Connecticut General Statutes.

According to [Section 46a-68j-30\(9\)](#) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in [Section 4a-60](#) of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of [Section 32-9n](#).” “Minority” groups are defined in [Section 32-9n](#) of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by [Section 4a-60g](#) of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of [Section 46a-68j-21\(11\)](#) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with [Sections 46a-68-1 to 46a-68-17](#) of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. [See Section 46a-68j-30\(10\)\(E\)](#) of the Contract Compliance Regulations.
