Consulting Services for Oracle ERP

Dear Cynthia Lucero and the City of Stamford,

Graviton Consulting Services, Inc. (Graviton), an Oracle partner consultancy company, is pleased to submit our Best and Final offer to the City of Stamford in response to your Request for Proposal for the Consulting Services for Oracle ERP.

Graviton was founded in 2010 by public sector information technology leaders with the goal of developing a systems integration practice focused solely on serving the enterprise implementation and support needs of state and local government organizations. Our commitment is to deliver personalized world-class innovative solutions that provide the greatest value to our government client-partners and the constituents whom they represent. With over 90 veteran consultants, we bring industry leading experience in all aspects of Oracle Cloud implementations, from business process transformation and knowledge transfer to architecture design and the building of complex integrations.

If you have any questions about our Best and Final Offer, please feel free to contact me at (916) 337-6551 or email at vineet@gravitonconsulting.com.

Sincerely,

Vineet Srivastava, President
