Statement of Support – Kosciuszko Park Boat Ramp Project

Sgt. Kevin Fitzgibbons
OIC, Stamford Police Harbor Unit

I am pleased to offer my support for the proposed boat ramp at Kosciuszko Park. An additional access point to Stamford Harbor would improve our ability to launch Harbor Unit vessels quickly during emergencies, enhance coordination with Fire and EMS, and provide a reliable location for transferring individuals brought in from the water.

The ramp would also serve as an important site for storm preparation and boat removal, especially given its proximity to the Stamford Hurricane Barrier. Overall, this project would strengthen public safety and improve operational readiness on Stamford's waterways.

Respectfully,
Sgt. Kevin Fitzgibbons
Officer in Charge
Stamford Police Harbor Unit
