Dear Stamford Reps,

How is possible that we are allowing the sale of dogs and other pets in our city? These establishments support puppy mills without any regard to animal welfare.

End the endless suffering, and make an impact in Stamford. There is ZERO reason to have stores selling puppies when the shelters are filled and people can alternatively find breeders should they choose. Take this easy step.

VOTE YES on LR31.072

Dear Members of the Stamford Board of Representatives,

As a Stamford resident, I'm writing to urge you to vote YES on Ordinance LR31.072, which would ban the sale of dogs, cats, and rabbits in pet shops. This important legislation will help end the puppy mill-to-pet shop pipeline, protect consumers from deceptive practices and sick puppy sales, and promote humane, ethical pet businesses in our community. No pet shop needs to sell live animals to be profitable, and no resident needs a pet shop to find the pet of their choice. Please stand with Stamford residents who care about animal welfare and consumer protection by supporting Ordinance LR31.072.

Thank you for your time and leadership on this important issue.

Sincerely,
Gabrielle Cipollina

Dear Stamford Board of Representatives,

Please **SUPPORT** ordinance LR31.072, which would block the puppy mill-to-pet shop pipeline in Stamford by banning the sale of dogs, cats, and rabbits in pet shops.

This ordinance would stop pet shops from selling puppy mill puppies, protect consumers from deceptive sales tactics, sick puppy sales, and predatory lending, and promote humane businesses and responsible pet acquisition.

No pet shop needs to sell puppies to be profitable and no resident needs a pet shop to find the pet of their choice.

Thank you,

Tom Tierney

Please vote YES

Dogs in puppy mills suffer endlessly - confined to cages, bred repeatedly, and denied basic care or compassion.

Every pet shop that sells live animals keeps this cruelty alive.

Please VOTE YES on LR31.072.

I'm writing today as a Stamford resident.

PLEASE vote YES to ban the sale of dogs, cats and rabbits in pet shops. I have seen the misery caused by breeders and puppy mills that prioritize profit over animal welfare. These pet stores benefit no one but themselves and are a blight on our community. Pet stores can **thrive** selling pet supplies and featuring ADOPTABLE animals that are otherwise euthanized in shelters instead of poorly bred, unhealthy animals that come from backgrounds of pain and neglect.

I love this community and want it to shine, and I want to continue to be proud to live here. Please vote yes.

Thank you!
